

First Division Announces Name Change

Vancouver, British Columbia--(Newsfile Corp. - March 7, 2019) - First Division Ventures Inc. (CSE: FDIV) (the "**Company**" or "**First Division**") is pleased to announce that it will be changing its name to American Battery Metals Corp. (the "**Name Change**") with the corresponding new stock symbol "**ABC**" on the Canadian Securities Exchange as of March 11, 2019.

The Name Change will take effect on March 11, 2019 with trading of the Company's shares on the Canadian Securities Exchange under the new name and new stock symbol "**ABC**" expected to commence on March 11, 2019. The CUSIP number assigned to the Company's shares under its new name is 02452K104.

Michael Mulberry, CEO of American Battery Metals Corp., commented: "For us at American Battery Metals this is more than just a name change. It reinforces our commitment to the new paradigm taking place in energy delivery and storage. We couldn't be more excited to be part of the green energy revolution with our two, U.S. based, energy mineral projects in very friendly mining jurisdictions."

About the Company

First Division Ventures Inc. is a junior mineral exploration company engaged in the business of acquiring, exploring and evaluating natural resource properties. The Company has an option to acquire a 50% interest in the Fish Lake property located in Esmeralda County in the state of Nevada, USA and an option to acquire a 100% interest in the Temple Mountain Vanadium Property located in Emery County, Utah, USA.

This news release may contain forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur and in this news release include but are not limited to the expected timing for the Name Change completion, the nature of the mining jurisdictions in which the Fish Lake property and Temple Mountain Vanadium property are located and management's expectations with respect to the properties' potential. Information inferred from the interpretation of drilling and other sampling results may also be deemed to be forward-looking statements, as it constitutes a prediction of what might be found to be present when and if a project is actually developed. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company's properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from the Company's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
