WEST MINING CLOSES OVER-SUBSCRIBED FINANCING

Vancouver, BC – March 12, 2026 – West Mining Corp. (“West” or the “Company”) (CSE: WEST) (OTC: WESMF) (FRA: 1HL) is pleased to announce that it has closed its previously announced non-brokered private placement (the “Financing”), raising gross proceeds of \$632,858 through the issuance of 12,054,429 units (each, a “Unit”) at a price of \$0.0525 per Unit. Each Unit consists of one common share of the Company and one transferable share purchase warrant (each warrant exercisable for one common share at a price of \$0.07 until March 12, 2028). The Company paid agreement finder’s fees of \$45,061 under the Financing and issued an aggregate of 588,300 finder’s warrants, each exercisable for one common share of the Company at a price of \$0.0525 until March 12, 2028. All securities issued under the Financing are subject to a four month hold period expiring July 13, 2026, in accordance with applicable Canadian securities laws. The Company will use the proceeds of the Financing for general working capital, mineral property costs and marketing/investor relations services.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities described in this news release in the United States. Such securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and, accordingly, may not be offered or sold within the United States, or to or for the account or benefit of persons in the United States or “U.S. Persons”, as such term is defined in Regulation S promulgated under the U.S. Securities Act, unless registered under the U.S. Securities Act and applicable state securities laws or pursuant to an exemption from such registration requirements.

Certain statements contained in this press release constitute "forward-looking information" as such term is defined in applicable Canadian securities legislation. The words "may", "would", "could", "should", "potential", "will", "seek", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company's current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company's mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
