West Mining Corp. Enters Option Agreement for Mineral Claims Located in Central Quebec

Vancouver, BC – May 14, 2026 – West Mining Corp. (“West” or the “Company”) (CSE: WEST) (OTC: WESMF) (FRA: 1HL) is pleased to announce it has entered into an option agreement (the “Option Agreement”) dated as of May 13, 2026 with 1538963 BC Ltd. (the “Optionor”) pursuant to which West has the option to earn a 100% interest in 16 mineral claims (the “Claims”) comprising approximately 817.5 hectares of mineral rights located in central Quebec, Canada.

Under the Option Agreement, West has the option to earn a 100% interest in the Claims by issuing an aggregate of 7,000,000 West common shares (each, a “Share”) to the Optionor or its affiliates as follows: 6,000,000 Optionee Shares at a deemed price of \$0.05625 per Share within five business days following execution of the Option Agreement; 500,000 Shares within one year of execution of the Option Agreement; and 500,000 Shares within two years of execution of the Option Agreement. Any Shares issued under the Option Agreement will be subject to a four month hold period in accordance with applicable securities laws. West intends to issue the initial 6,000,000 Shares on or about May 21, 2026.

About West Mining Corp.

West Mining Corp. is a mineral exploration company currently exploring for copper, gold and silver on its 100% owned Junkers Property in north-central British Columbia and its 100% owned Spanish Mountain West Property in central British Columbia. The Canadian Securities Exchange accepts no responsibility for the adequacy or accuracy of this release.

Certain statements contained in this press release constitute “forward-looking information” as such term is defined in applicable Canadian securities legislation. The words “may”, “would”, “could”, “should”, “potential”, “will”, “seek”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, “expect” and similar expressions as they relate to the Company, are intended to identify forward-looking information. All statements other than statements of historical fact may be forward-looking information. Such statements reflect the Company’s current views and intentions with respect to future events, and current information available to them, and are subject to certain risks, uncertainties and assumptions, including, without limitation: the potential of the Company’s mineral properties; the estimation of capital requirements; the estimation of operating costs; the timing and amount of future business expenditures; and the availability of necessary financing. Many factors could cause the actual results, performance or achievements that may be expressed or implied by such forward-looking information to vary from those described herein should one or more of these risks or uncertainties materialize. Such factors include but are not limited to: changes in economic conditions or financial markets; increases in costs; litigation; legislative, environmental and other judicial, regulatory, political and competitive developments; and exploration or operational difficulties. This list is not exhaustive of the factors that may affect forward-looking information. These and other factors should be considered carefully, and readers should not place undue reliance on such forward-looking information. Should any factor affect the Company in an unexpected manner, or should assumptions underlying the forward-looking information prove incorrect, the actual results or events may differ materially from the results or events predicted. Any such forward-looking information is expressly qualified in its entirety by this cautionary statement. Moreover, the Company does not assume responsibility for the accuracy or completeness of such forward-looking information. The forward-looking information included in this press release is made as of the date of this press release and the Company undertakes no obligation to publicly update or revise any forward-looking information, other than as required by applicable law.
