

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: Western Uranium Corporation (the "Issuer" or the "Company").

Trading Symbol: WUC

Number of Outstanding Listed Securities: 19,574,709

Date: August 04, 2017

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

On July 28, 2017, the Issuer posted on SEDAR a News Release announcing the resignation of Michael R. Skutezky as Independent Chairman and director of the Issuer and all subsidiaries and affiliates and the appointment of Russell Fryer as Executive Chairman under the Company's profile.

2. Provide a general overview and discussion of the activities of management.
None other than as described in item 1 above.
3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

Not applicable as at July 31, 2017.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable as at July 31, 2017.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Not applicable as at July 31, 2017.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

An Option and Exploration Agreement was scheduled to expire by its terms on July 28, 2017. However prior to the termination date, a notice of force majeure was submitted. Under the terms of the agreement, a force majeure event provides for a two year option exercise extension. The agreement provided for the purchase of the 51% portion of a Colorado USA property not already owned or controlled, by a wholly owned subsidiary of Western Uranium Corporation. The counterparty is contesting the force majeure notification. This issue will be more fully described in the Company's June 30, 2017 financial statements which shall be released subsequently in August 2017.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

Not applicable as at July 31, 2017.

8. Describe the acquisition of new customers or loss of customers.

Not applicable as at July 31, 2017.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

Not applicable as at July 31, 2017.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

Not applicable as at July 31, 2017.

11. Report on any labour disputes and resolutions of those disputes if applicable.

Not applicable as at July 31, 2017.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

Not applicable as at July 31, 2017.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

Not applicable as at July 31, 2017.

14. Provide details of any securities issued and options or warrants granted.

None other than as described in item 1 above.

15. Provide details of any loans to or by Related Persons.

Not applicable as at July 31, 2017.

16. Provide details of any changes in directors, officers or committee members.

Michael Skutezky resigned as a director and Independent Chairman of the Board of Directors of the Issuer and all subsidiaries and affiliates of the Issuer effective July 27, 2017. Russell Fryer, a director of the Company was appointed Executive Chairman of the Issuer as of the same date.

17. Discuss any trends, which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The Issuer's principal activity is mineral exploration and production. Companies in this industry are subject to many and varied risks, including but not limited to environmental, political and economic conditions and the price of uranium and vanadium.

The Issuer's ability to explore for and produce uranium or vanadium from any of its properties is dependent upon a number of factors, including environmental risks, legal and political risks, the discovery of economically recoverable reserves, confirmation of the Issuer's interest in the underlying properties, the ability of the Issuer to obtain necessary financing to complete the development and future profitable production or proceeds from the disposition of the properties.

Certificate Of Compliance

The undersigned hereby certifies that:

1. The undersigned is a director and/or senior officer of the Issuer and has been duly authorized by a resolution of the board of directors of the Issuer to sign this Certificate of Compliance.
2. As of the date hereof there were is no material information concerning the Issuer which has not been publicly disclosed.
3. The undersigned hereby certifies to CNSX that the Issuer is in compliance with the requirements of applicable securities legislation (as such term is defined in National Instrument 14-101) and all CNSX Requirements (as defined in CNSX Policy 1).
4. All of the information in this Form 7 Monthly Progress Report is true.
