## **Xebra's Vicious Citrus Cannabis Infused Lemonade Now Selling**

Vancouver, BC, Canada, August 24, 2022, Xebra Brands Ltd. ("Xebra") (XBRA: CSE) (XBRAF: OTCQB) (9YC: FSE), a cannabis company, is pleased to announce that its Vicious Citrus brand of cannabis-infused lemonades is now officially retailing in Canada and available for purchase in the province of Ontario, with more provinces to follow in the coming days and weeks.

Ontario's +1,300 cannabis retailers can now make purchase orders of Vicious Citrus through the Ontario Cannabis Store (OCS) online at [www.ocs.ca](http://www.ocs.ca), and consumers can start purchasing Vicious Citrus at their favorite licensed retailer now.

*"Based on positive initial feedback from retailers, initial orders from the OCS, and demand from other provinces, Vicious Citrus will expand rapidly across Canada. Anticipating strong sell-through we are already producing inventory to restock the shelves across the country", said Jay Garnett, CEO of Xebra.*

Vicious Citrus is a non-carbonated THC infused lemonade beverage, with a tangy citrus flavour and a 5:1 THC / CBN ratio. With the maximum amount of psychoactive cannabinoids allowed in any Canadian listed beverage, Vicious Citrus combines 10mg of THC with 2mg of CBN (Cannabinol) and is one of only a few beverages in Canada containing CBN, a unique cannabinoid that is booming in interest across North America. All statements, other than statements of historical facts, are forward-looking information and statements. The words "aim", "believe", "expect", "anticipate", "contemplate", "target", "intends", "continue", "plans", "budget", "estimate", "may", "will", and similar expressions identify forward-looking information and statements. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by XEBRA as of the dates of such statements, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Known and unknown factors could cause actual results to differ materially from those projected in the forward-looking statements. Such factors include, but are not limited to, the inability of XEBRA to generate sufficient revenues or to raise sufficient funds to carry out its business plan; changes in government legislation, taxation, controls, regulations and political or economic developments in various countries; risks associated with agriculture and cultivation activities generally, including inclement weather, access to supply of seeds, poor crop yields, and spoilage; compliance with import and export laws of various countries; significant fluctuations in cannabis prices and transportation costs; the risk of obtaining necessary licenses and permits; inability to identify, negotiate and complete a potential acquisition for any reason; the ability to retain key employees; dependence on third parties for services and supplies; non-performance by contractual counter-parties; general economic conditions; and the continued growth in global demand for cannabis products and the continued increase in jurisdictions legalizing cannabis; and the timely receipt of regulatory approval for license applications. In addition, there is no assurance Xebra will: be a low-cost producer or exporter; obtain a dominant market position in any jurisdiction; have products that will be unique; launch other Vicious Citrus SKUs; or monetize any asset sales from its Colombian and Dutch subsidiaries. The foregoing list is not exhaustive and XEBRA undertakes no obligation to update or revise any of the foregoing except as required by law. Many of these uncertainties and contingencies could affect XEBRA's actual performance and cause its actual performance to differ materially from what has been expressed or implied in any forward-looking statements made by, or on behalf of, XEBRA. Readers are cautioned that forward-looking statements are not guarantees of future performance and readers should not place undue reliance on such forward-looking statements. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those set out in such statements.*
