MONTHLY PROGRESS REPORT

Name of Listed Issuer: Kootenay Zinc Corp. (the "Company" or the "Issuer").

Trading Symbol: ZNK

Number of Outstanding Listed Securities: 4,864,329

Date: July 9, 2018

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

On June 28th, 2018, the Company announced that it has provided the results of eight analyses from recently completed DDH SY18-17 on the Sully claims. For the detail of the highlights, see the section 3 dated June 28th, 2018.

2. Provide a general overview and discussion of the activities of management.

None.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

On June 28th, 2018, the Company announced that it has provided the results of eight analyses from recently completed DDH SY18-17 on the Sully claims. As previously reported, numerous fine grains of sphalerite were observed throughout the hole. Intervals sampled were from 0.3-metre to 1.3-metre long of typical examples of the mineralization. The analytical work was done by Bureau Veritas Mineral Laboratories in Vancouver and consisted of 45 element ICP and whole rock analysis suites. As expected a variation in zinc and lead was observed. One sample is anomalous in zinc and lead and corresponding indicator elements Cd, Sb and Bi are elevated; two samples have elevated zinc and lead; in the balance of samples most elements appear to be at background levels. The one anomalous sample (0.3 metres long) with 1406 ppm zinc and 401 ppm lead has clustering of minute grains and wisps of sphalerite and is approximately directly down dip of a surface outcrop from which grab samples assay 1% Zn.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

None.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

None.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

None.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

None

8. Describe the acquisition of new customers or loss of customers.

Not applicable

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.
