

AMPD Ventures Announces the Addition of Tanya Woods to its Board of Directors

News Release

Vancouver, British Columbia – AMPD Ventures Inc. (CSE: AMPD) (OTCQB: AMPDF) (FRA: 2Q0) (“AMPD” or the “Company”), a next-generation digital infrastructure provider, is pleased to announce that Tanya Woods has been appointed to its board of directors, effective September 12, 2022.

Ms. Woods is a Canadian-American entrepreneur, technology lawyer, and policy leader working in the verticals of mainstream and digital media, telecommunications, AI and blockchain, and high-performance computing infrastructure. She is currently the CEO of Futurity Partners, a strategic consulting firm advising public and private sector organizations on exponential and innovative technologies, digital policy, and ESG matters.

“I am delighted to be joining the experienced Board of AMPD Ventures as the Company and its subsidiaries break ground in the metaverse,” said Woods, “the Company's multi-faceted approach from enabling mobile high-performance computing infrastructure to supporting first class metaverse and digital content creation is a unique and compelling innovation journey I look forward to talking with the team.”

“Tanya is an accomplished business leader with deep knowledge and experience in video games, digital content, high-performance computing infrastructure, ESG, and Web3,” said Anthony Brown, CEO of AMPD Ventures Inc., “she has a strong track record of successfully advancing public and private company growth objectives in these verticals making her an ideal addition to our Board, we look forward to her insights and are pleased to welcome her onboard.”

Ms. Woods has held increasingly senior executive level leadership roles advancing the commercial and regulatory agendas of global technology companies and government for nearly twenty years. She recently served as the founding Managing Director of Canada's first Chamber of Digital Commerce, General Counsel, EVP Regulatory Affairs and Corporate Secretary of Hut 8 Mining Corp., General Counsel of the Entertainment Software Association of Canada, and Regulatory and Copyright Counsel for BCE Inc. She is also currently serving a three-year appointment as an expert advisor to UNESCO in Canada supporting the advancement of the United Nations Sustainable Development Goals.

Ms. Woods' has received recognition as one of IT World's Top Women in FinTech and Blockchain, a Government of Canada Leading TechWoman, CBC Trailblazer, Obama Foundation Global Civic Leader, Toastmasters International Community Leadership Award Recipient, and as a Top 40 Under 40. She studied law and global trade at the London School of Economics, University of Ottawa, and American University Washington College of Law.

About AMPD Ventures Inc.

AMPD is a next-generation infrastructure company specializing in providing high-performance computing solutions for low-latency applications. With state-of-the-art, high-performance computing solutions hosted in sustainable urban data centres, AMPD is leading the transition to the next generation of computing infrastructure as ‘the hosting company of the Metaverse.’ Through a mix of infrastructure as a service (“IaaS”) and an upgraded, high-performance cloud offering, we are meeting the low-latency requirements

of multiplayer video games and eSports, computer graphics rendering, artificial intelligence, machine learning, mixed reality, big data processing, and the as-yet uncharted technological developments of the coming decades.
