Mr. Natural Full Spectrum Hash RSO Launches in Nevada

Medicinal cannabis oil was developed by Vietnam Veteran Bob “Natural” Luciano to provide relief for people suffering from PTSD, chronic illness and pain.

LAS VEGAS, April 25, 2022 – Australis Capital Inc. (CSE: AUSA) (OTC: AUSA) (“AUSA”, “AUDACIOUS”, or the “Company”), today announced that Mr. Natural, an AUDACIOUS brand, is pleased to launch its first product in Nevada: **Full Spectrum Hash RSO**. The powerful medicinal oil – rich in major and minor medicinal cannabinoids including THC, CBD, and CBN – is known for its therapeutic benefits and potential to provide relief for people suffering from post-traumatic stress disorder (PTSD), chronic illness and pain.

The Mr. Natural brand was developed by U.S. Vietnam Veteran Bob “Natural” Luciano beginning more than 50 years ago. Like many of his compatriots, Luciano discovered the therapeutic benefits of cannabis during his service. But when he returned home, he and his fellow veterans discovered that access to cannabis – the only viable treatment they had found for their ailments – was no longer available. Since its founding, Mr. Natural has gained a large following of veterans who rely on Mr. Natural products to help manage symptoms from PTSD and other ailments.

That experience inspired Luciano to pursue his lifelong mission to educate people on the benefits of medicinal cannabis. A strong advocate for the medical use of cannabis for veterans, Luciano cultivates strains specifically for treating PTSD, chronic illness and pain to enable other veterans to gain relief. He

has actively worked with the U.S. Veterans Administration since 1972 to educate others on cannabis and its use for treating PTSD.

“Bob has dedicated his life to being an advocate for the medical use of cannabis for veterans, and we are honored to help further his efforts by bringing Mr. Natural Full Spectrum Hash RSO to patients in Nevada,” said Terry Booth, CEO of AUDACIOUS.

Named after the Canadian cancer patient Rick Simpson who developed it, RSO or “Rick Simpson Oil,” is a full extract, high-potency cannabis oil meant to be ingested orally or applied topically. Mr. Natural Full Spectrum Hash RSO is a mix of cannabinoid-rich cultivars and tests high for several major and minor cannabinoids, as well as numerous terpenes. The company uses a proprietary extraction method that provides a product that is closer to full spectrum, the way nature intended.

"Mr. Natural was founded on the universal principles of positivity and healing," said Mr. Natural. "Our Full Spectrum Hash RSO is made with cannabis that is grown in premium soil, rich in terpenes and cannabinoids, and cured to perfection. We have dedicated our lives to cultivation, which lets us offer a final product that is exceptional."

Mr. Natural Full Spectrum Hash RSO is available at Jardin, Vegas Tree House, and Exhale dispensaries in Las Vegas and in other dispensaries across Nevada. Small Batch Mr. Natural Craft Cannabis Flower is also available now at dispensaries in California.
