## Cansortium Announces Shares for Debt Settlement

**Miami, Florida, January 6, 2023** – Cansortium Inc. (CSE: TIUM.U) (OTCQX: CNTMF) (“**Cansortium**” or the “**Company**”), a vertically-integrated cannabis company operating under the Fluent™ brand, announces that further to its press release dated November 2, 2022, the Company has issued an aggregate of 1,354,167 common shares (“**Debt Shares**”) to certain of its directors in exchange for the cancellation of US\$162,500 of director fees owing. The Debt Shares are being issued at a price equal to the closing market price of the common shares of the Company as listed on the Canadian Securities Exchange (“**CSE**”) on December 30, 2022, being US\$0.12, in accordance with the policies of the CSE.

The issuance of the Debt Shares to the directors constitutes a "related party transaction" as this term is defined in Multilateral Instrument 61-101: Protection of Minority Securityholders in Special Transactions (“**MI 61-101**”). The directors of the Company, acting in good faith, determined that the fair market value of the Debt Shares being issued pursuant to the shares for debt transaction and the consideration being paid is reasonable. The Company intends to rely on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101 as neither the fair market value of the Debt Shares nor the debt exceeds 25% of the Company’s market capitalization.

The Company did not file a material change report more than 21 days before the expected closing of the shares for debt transaction as the details and amounts of debts settled under the transaction were not finalized until closer to the closing and the Company wished to close the transaction as soon as practicable, which the Company deems reasonable as it wishes to reduce its accrued liabilities as soon as possible. Any Debt Shares issued will be subject to a four (4) month hold period.
