Re: **Moonbound Mining Ltd. (the "Company")**  
**Consent of Qualified Person**

To whom it may concern:

Reference is made to the National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* technical report titled "*NI 43 101 Technical Report on The Norrabees I Pegmatite, South Africa. Mineral Resource Estimate.*" dated January 17, 2024 (the "**Technical Report**").

In connection with the Company's Business Acquisition Report on Form 51-102F4 dated April 15, 2024 and all documents incorporated by reference therein (collectively, the "**BAR**"), I, Johan Hattingh (*Pr. Sci. Nat.*), PhD. Geology, on behalf of myself hereby:

1. consent to the SEDAR+ filing and/or public filing in any other manner of the Technical Report with the offices of the British Columbia Securities Commission, Ontario Securities Commission, and the Canadian Securities Exchange;
2. consent to the use of my name and references to the Technical Report, or portions thereof, in the BAR and to the inclusion or incorporation by reference of information derived from the Technical Report in the BAR;
3. confirm that I have read the BAR and that it fairly and accurately represents the information contained in the Technical Report, and that the Technical Report supports that disclosure; and
4. confirm that I have read the BAR and have no reason to believe that there are any misrepresentations in the information contained therein that are derived from the Technical Report or that are within my knowledge as a result of the services performed by me in connection with the Technical Report.

Yours truly,

*"Johan Hattingh"*
