Report on Business

1. Provide a general overview and discussion of the development of the Issuer’s business and operations over the previous month. Where the Issuer was inactive disclose this fact.

Super Nova is a British Columbia company engaged in the acquisition, exploration and development of mineral properties and oil and gas properties. The Issuer currently holds interests in mineral properties located in British Columbia and Quebec, Canada, and in oil and gas properties located in Montana, United States. During the month of December 2013 the Issuer did not conduct any significant exploration work on its properties due to the limitation of financial resources.

2. Provide a general overview and discussion of the activities of management.

During the month of December 2013 management was mainly engaged in seeking potential new funding for the Issuer.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

Refer to Items 1 and 2 above for details.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

Not applicable.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.

Not applicable.

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

The Company's Elk Hills project was withdrawn effective December 13, 2013 (see the Company news release on Dec 13, 2013). The Company is in negotiation with certain parties on an alternative oil project in Montana.

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provides details of the relationship.

Not applicable.

8. Describe the acquisition of new customers or loss of customers.

Not applicable.

9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.

Not applicable.

10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.

None.

11. Report on any labour disputes and resolutions of those disputes if applicable.

None.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

None.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

None.

14. Provide details of any securities issued and options or warrants granted.

(1) State aggregate proceeds and intended allocation of proceeds

15. Provide details of any loans to or by Related Persons.

None.

16. Provide details of any changes in directors, officers or committee members.

Not applicable.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer’s market(s) or political/regulatory trends.

The Issuer has no history of earnings and the Issuer’s properties are currently in the exploration stage. The current equity market conditions may limit the Company’s ability to raise funds required to advance its mineral exploration projects. Additional trends and risks which are likely to impact the Issuer are detailed under section 17 “Risk Factors” of the Issuer’s Form 2A Updated Listing Statement dated September 30, 2013.
