

RESAAS SERVICES INC.

RESAAS Welcomes ALANTE Real Estate to The Real Estate Social Network™

VANCOUVER, B.C. (March 31, 2014) – RESAAS Services Inc. (CSE: RSS), The Real Estate Social Network™, is pleased to announce that [ALANTE Real Estate](#) has joined the [RESAAS Platform](#).

Based in Plymouth, Massachusetts, ALANTE Real Estate is an innovative boutique brokerage that has become known for their commitment to providing quality service above all else. All of their agents live within the communities they serve, and possess an intricate knowledge of the local school districts, exciting restaurants and upcoming developments. What's more, with the creation of a separate marketing department and the adoption of paperless transactions, the brokerage has allowed their agents to remain entirely focused on their clients' everyday needs.

It's this forward-thinking approach that Susana Murphy, CEO and Founder of ALANTE Real Estate, has brought with her from her days as a creative marketer, an approach embodied in the brokerage's namesake as well. *Adelante* is a common warm-greeting in Spanish, translated as "welcome" or "come forward," and is a perfect illustration of their passion for client care.

"With ALANTE Real Estate, I set out to establish a brokerage that revolves around quality service," said Susana Murphy, CEO and Founder of Alante Real Estate. "And in order for our agents to best serve their clients, they need the most modern tools and technologies to help them do so. When I discovered what RESAAS will provide, I was ecstatic. Not only will our agents be able to communicate more effectively with the exclusive firm feed, but they will also be able to showcase their passion and community knowledge to home shoppers through the Real Estate Q&A piece."

Each agent at ALANTE Real Estate will receive his or her own corporate-branded agent page on RESAAS, and will be connected together into an exclusive group to communicate and stay connected with every other associate within their firm. Additionally, ALANTE Real Estate will have its own corporate page to easily broadcast relevant information and market their company's content across the entire RESAAS platform.

"There is a reason why Susana Murphy is regarded as one of the best REALTORS® in the South Shore real estate market," said Nadia Suttle, Senior Account Executive at RESAAS. "She is always empowering her agents with the latest in technology, and now they will have RESAAS included in their suite of agent-focused tools. I am looking forward to working with their team."
