Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company is exploring precious metal related business opportunities focused on Nicaragua, Costa Rica, and Ecuador. It has been collaborating with qualified people experienced in acquisition of precious metals from various sources, including artisan miners, recycling, private sellers and internal production in these regions and examining processing technologies in collaboration with the Norman B. Keevil Institute of Mining Engineering at the University of British Columbia.

The Company signed an agreement to acquire all shares of Oro Roca S.A., a private Costa Rican company, on March 31st, 2014. Oro Roca is a precious metals trading & production Company specializing in Gold, Silver & Platinum. Oro Roca will provide the Company with access to high grade tailings stockpiles in Latin America as well as an established metals trading business.

In addition, the Company's common shares are now interlisted for trading on the Frankfurt Stock Exchange, under the symbol NGO. The Frankfurt Stock Exchange is the world's third-largest (behind only the Nasdaq Stock Market and the New York Stock Exchange) organized exchange-trading market in terms of turnover and dealings in securities.

2. Provide a general overview and discussion of the activities of management.

Management has been recruiting new Principals, investors and experts as part of their plan to apply optimal processing technologies to existing tailings stockpiles in Latin America to achieve environmental reclamation and precious metals recovery.

As part of that effort, management have entered into an agreement to acquire all the shares of Oro Roca S.A., a privately held Costa Rican company with an established precious metals trading business and access to high grade tailings

stockpiles in the Latin American region.

The Company is working with Oro Roca personnel in developing precious metals related business opportunities, in collaboration with the Norman B. Keevil Institute of Mining Engineering at the University of British Columbia and Professor Marcello Veiga, P.Eng. , PhD., Senior Technical Advisor.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

When completed, the business acquisition of Oro Roca S.A., will provide the Company with access to tailings processing equipment in Costa Rica as well as an established precious metals trading business.

4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.
