About Auxellence Health Corporation

Auxellence is a health technology company that aims to provide high-level online personal health services to consumers, providers and suppliers of OTC (Over-The-Counter) health care products and services, including refining the effectiveness of prescribing services to the OTC (Over-The-Counter) consumer pharmaceutical and natural health industry. The Company is integrating innovative therapeutic and diagnostic (theragnostic) devices (hardware components), along with an interactive Expert System and Recommender "PRESCRIPTOR" engine (software platform) to acquire physiological data for personalized medicine and health solutions to everyday health issues (initially targeting weight management and skin health conditions (acne)).
