**February 21, 2014**

**AFFINOR APPOINTS A NEW DIRECTOR**

**Montreal, Quebec, February 21, 2014** – Affinor Resources Inc. (“Affinor” or “Company”) (CNSX: AFI) is pleased to announce that, on February 20, 2014, its board of directors appointed Mr. Eddy Escalante as a director of the Company. Mr. Escalante, MSc. BSc., graduated with a Master degree at the renowned Colorado School of Mines. He’s an economic geologist with more than 25 years of field experience in mining and exploration for precious and base metals in South America. He worked for EMICRUZ (Rio Tinto & COMSUR/JV), Apex Silver, Pan American Silver and Continental Gold. In addition he worked as consultant for various junior mining companies. In Colombia he was responsible for the detail mapping and exploration work of Continental Gold flagship project, Buritica, from 2007 to 2009. The board of directors as agreed to grant Mr. Escalante 250,000 options. Each stock option entitles the holder to subscribe for one common share of Affinor at a price of \$ 0.05 per share for a period of five year expiring February 21 2019.

Mr. Sebastien Plouffe, President & CEO of Affinor Resources comments: “the addition of Eddy is an important step for the company to achieve their main objective to acquire solid mining projects in Colombia and begin an exploration program as soon as possible. Eddy is a geologist with success and a proven track record in different countries (Argentina, Peru, Bolivia and Colombia), in different geological environments and with his experience and knowledge he can bring Affinor to a level of an important player in the mining industry”.

Affinor management is presently reviewing different mining projects mainly in Colombia and shall come to an agreement in the near future from which a detailed press release shall be issued, followed by a financing.

***About Affinor:***

Affinor is a mineral exploration company with interests in various mineral properties in the Province of Quebec and whose objective is to develop mining projects.
