

CIELO ANNOUNCES ANOTHER LARGE PURCHASE ORDER AND EXCLUSIVE MARKET RIGHTS GRANTED FOR AUSTRALIA

Surrey, British Columbia, Canada / May 26, 2014 / CSE:CMC / Cielo Waste Solutions Corp. ("Cielo" or the "Company") is pleased to announce that Cielo has entered into an agreement for exclusive rights of its Waste To Fuel refining technology to Emerald Green Energy Pty Ltd ("Emerald") of Perth, Australia. The agreement is effective from May 20, 2014 and will provide a market and sell Cielo's products.

Clive Ross, President of Emerald stated "we are excited to be able to work with the team at Cielo to help Australians reduce landfill waste by refining it into a renewable synthetic diesel. The solution that Cielo provides complements our current solutions and will allow us to offer our clients a cost effective way to produce high quality synthetic diesel."

Don Allan, President of Cielo stated "we have spent many months working on this strategic relationship with Emerald, and believe Emerald will represent Cielo in Australia with the professionalism and integrity we expect from our licensors".

The Company is also reporting that the Honorable Jim Peterson has been nominated to be elected to the Board of Directors, subject to regulatory and shareholder approval at the upcoming Annual General Meeting on May 30th, 2014. Mr Peterson, who is counsel at Fasken Martineau DuMoulin LLP, has had a distinguished career both as a legal scholar, teacher, and as a practitioner of international and business law. He was also a consultant for the United Nations Industrial Development Organization and has extensive knowledge and first-hand experience in government affairs, having served in the Government of Canada as a Minister of International Trade Secretary of State (International Financial Institutions), and Chair of the House of Commons Standing Committee on Finance.

The Board of Directors of Cielo has accepted the resignation of the Honorable Doug Lewis as a member of the Board of Directors of Cielo, effective May 22, 2014. The Board of Directors would like to thank Mr. Lewis for his contribution to the Company during his tenure.

Cielo has received another purchase order in the amount of \$13 million for the supply of one commercial 700 liters per hour refinery in combination with a waste processing line. The purchase order is subject to certain conditions including the completion of the commercial 200 liter per hour plant, for further details of the transaction, please call the below contacts.

About Emerald Green Energy Pty Ltd.

Emerald, together with their partner companies, provides a range of premium equipment, as well as engineering solutions and support for their clients focusing on a positive effect on process improvements and the environment.

This ranges from improvement of industrial process, reducing emissions or capturing CO₂, through unique scrubbing equipment, providing a purpose built and designed metal separation recycling plant. Emerald's equipment and solutions have been used in manufacturing, oil and gas, and mining industries.
