SURREY, BRITISH COLUMBIA (June 10, 2014) – Only months after it first began trading on OTC Pink, Global Hemp Group (GHG) (CSE: GHG; OTCQB: GBHPF) upgraded to the OTCQB® marketplace today.

“We are excited by what trading on the OTCQB marketplace will mean for GHG’s growth,” said Charles Larsen, President and CEO of Global Hemp Group. “We know we have a great strategy, a great team and a great mission, but this upgrade gives our investors an added degree of confidence in our strength as a company and our future prospects.”

The OTCQB marketplace is specifically tailored to securities of early stage and developing U.S. and international companies that meet certain eligibility criteria, including transparency, management review and a minimum \$0.01 bid price for their stock.
