### ROBIX ANNOUNCES GRANT OF STOCK OPTIONS

June 17, 2014 – Lethbridge, AB: Robix Alternative Fuels Inc. (“Robix” or the “Corporation”) (RZX:CSE and ROX:Frankfurt) announced today that the Corporation, subject to regulatory approval, has granted incentive stock options to purchase a total of 261,084 common shares, at an exercise price of 60 cents per common share. They expire on June 17, 2017, in accordance with the corporation's stock option plan. In addition, further to the announcement of the grant of options on June 3, 2014, the Corporation wishes to clarify that the total number of options granted was 500,000.

#### About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
