

## HI HO SILVER APPOINTS CHAIRMAN

**VANCOUVER, CANADA, July 4, 2014 – Hi Ho Silver Resources Inc.** (“Hi Ho” or the “Company”) (**CNSX: HHS**), wishes to announce that the board of directors of the Company have appointed Ivano DeCotiis as a director and non-executive Chairman. In connection with the appointment of Mr. DeCotiis and Mr. George Sookochoff, on June 27, 2014, the board of directors have increased the number of directors to four.

Mr. DeCotiis is a business professional with over 20 years of experience in business management and operations in both public and private companies, particularly relating to finance.

Mr. Sookochoff has over 30 years' international experience in the mining industry in a variety of metal environments. He graduated from the University of British Columbia in 1975 with a Business Marketing Degree. As a consultant to junior mining companies, Mr. Sookochoff has specialized in advanced computer methods of exploration data analysis and modeling.

He is a Director of Hard Creek Nickel Corp. which is developing the Turnagain Nickel deposit, a giant nickel sulphide deposit in north central British Columbia, Canada. He was formerly President & CEO of International PBX Ventures Ltd. which developed large copper-molybdenum porphyries in northern Chile.

Hi Ho Silver Resources Inc. is a Canadian mineral exploration and development company currently focused on its Grasset Dome property in the Abitibi greenstone belt in Northwestern Quebec. The Abitibi greenstone belt is a significant gold region in Ontario and Quebec and has historically produced over 130 million ounces of gold. It is currently the site of nickel exploration in the Grasset Lake area of Northwestern Quebec.

On Behalf of the Board of Directors,

***Dennis H. McKnight***

President & CEO
