**VANCOUVER, B.C. (July 8, 2014)** – RESAAS Services Inc. (CSE: RSS), The Real Estate Social Network™, is pleased to welcome [Sea Coast Exclusive Properties](#) to the [RESAAS Platform](#).

With three offices in North County coastal San Diego, Sea Coast Exclusive Properties serves the areas of Cardiff by the Sea, Carlsbad, Carmel Valley, Del Mar, Encinitas, Oceanside, Rancho Santa Fe, San Marcos, Solana Beach, Sorrento Valley and Vista. Established in 1985, Sea Coast Exclusive Properties has 29 years of experience in delivering quality service, effective marketing, producing results, and community outreach.

“At Sea Coast Exclusive Properties we are devoted to serving our clients with the best possible marketing techniques and technology, which our agents can use to make each transaction run smoothly,” said Loren Sanders at Sea Coast Exclusive Properties. “RESAAS will aid in our marketing strategies through the power of social media. As well, members of Sea Coast will have access to the growing community of agents on RESAAS, allowing for greater networking and referral capabilities.”

When using RESAAS, each Sea Coast Exclusive Properties agent will receive his or her own profile page, and will be connected together privately to leverage the power of social networking to easily share activity within their firm and with the wider RESAAS community.

“We are really excited to be working with Sea Coast Exclusive Properties,” said Padraig Cullen, VP of Sales at RESAAS. “Since all three of the Sea Coast Exclusive Properties offices will be connected together in a private firm feed, agents will now be able to follow each other’s activity, such as new listings and open houses, which will help increase the effectiveness of the communication between agents in different offices.”
