ROCKEX MINING CORPORATION ANNOUNCES CLOSING PRIVATE PLACEMENT AND SUSPENSION OF ADVANCE ROYALTIES

July 8, 2014 – Toronto, Ontario - Rockex Mining Corporation (“**Rockex**” or the “**Corporation**”) (**CSE: RXM**) is pleased to announce the closing of its previously announced non-brokered private placement (see the Corporation’s news release dated July 2, 2014) of 4,641,400 units (each a “**Unit**”) at a purchase price of \$0.04 per Unit for aggregate gross proceeds of \$185,656 (the “**Offering**”). Each Unit is comprised of one (1) common share of the Corporation (a “**Common Share**”) and one (1) warrant (a “**Warrant**”), each Warrant entitling the holder to purchase one Common Share for \$0.05 within 48 months after closing, provided that if, at any time more than 24 months after closing, the average closing price of the Common Shares on a Canadian stock exchange on which the Common Shares are listed is greater than \$0.30 per share for a period of 20 consecutive trading days, the Warrants will expire unless they are exercised within thirty (30) days (or such longer period of time as the Corporation may provide) after the Corporation gives notice by issuing a press release and depositing a notice in the mail to each warrant holder to accelerate the expiry date of the Warrants to the date set out in such press release and notice sent by mail. The net proceeds of the Offering will be used by Rockex to reduce or eliminate the Corporation’s current working capital deficiency, to improve the financial position of the Corporation and for general corporate purposes.

Rockex is also pleased to announce that it has signed an agreement with the holder of royalties on the Corporation’s Western Lake St. Joseph Project to suspend payment of advance royalties from October 1, 2013 until the earliest of (i) completion of a pre-feasibility study, (ii) a change of control, amalgamation, plan of arrangement, take-over bid or other fundamental change involving Rockex, (iii) completion of a transaction with a strategic investor, or (iv) September 30, 2015.

About Rockex

Rockex’s Western Lake St. Joseph Project – which includes the Eagle Island Project, as well as additional potential deposits at Wolf Island and Fish Island – consists of a 100% interest in 17 contiguous mining claims (6 claims were released recently) and covers a nominal area of approximately 3,616 hectares located approximately 100 kilometres northeast of Sioux Lookout and 80 kilometres south-southwest of Pickle Lake.

Rockex also holds a 100% interest in three other iron projects in relative close proximity to Eagle Island in the Lake St. Joseph area: (i) the East Soules Bay Project (1,408 hectares) at the eastern end of Lake St. Joseph, approximately 40 kilometres east of Eagle Island, (ii) the Doran Lake Property (832 hectares) in and along the north shore of Doran Lake, south of Lake St. Joseph, approximately midway between Eagle Island and the East Soules Bay Project, and (iii) the Root Lake Project (832 hectares) near the central part of Lake St. Joseph. In addition, Rockex holds a 100% interest in a fifth iron project in Northwestern Ontario, the North Spirit Lake Property (1,536 hectares) approximately 170 km northeast of Red Lake, Ontario.
