CHLORMET PROVIDES UPDATE ON AAA HEIDELBERG

Vancouver, British Columbia (August 28th, 2014) – Chlormet Technologies Inc. (“Chlormet” or the “Company”) (PUF.C) is pleased to give an update on the activities of AAA Heidelberg, the private Ontario company that Chlormet purchased a 16.5% ownership stake in (see news releases dated March 27 and April 2, 2014) and holds the exclusive right to acquire the remaining 83.5% upon the granting to AAA Heidelberg of a MMPR license by Health Canada.

AAA Heidelberg has been given notification by Health Canada that its application is in the Enhanced Screening Stage.

“AAA Heidelberg continues to make steady progress and is nearing completion of the build-out of its facility. This latest correspondence from Health Canada confirms that AAA Heidelberg is making steady progress towards an MMPR license. In anticipation of the completion of the build-out and the subsequent invitation to Health Canada for a final inspection, management has arranged to visit the facility”, stated Yari Nieken, interim president of Chlormet.

About Chlormet Technologies

Chlormet Technologies Inc. is moving into the Medical Marijuana sector by purchasing a 100% interest in AAA Heidelberg, a private Ontario company that is in the process of applying for a MMPR license. Although the Company cannot guarantee nor estimate the timing for the issuance of a license to AAA Heidelberg, it is Chlormet’s goal is to become the next publicly traded Canadian company to be granted a new medical marijuana production license.

With the signing of an LOI with Babcock Bench Farms (see news release dated June 19, 2014) Chlormet intends to become involved in the legal marijuana industry in Washington State by providing building, equipment and expertise to licensed growers.

ON BEHALF OF THE BOARD OF DIRECTORS
