GRENADIER RESOURCE CORP. ISSUES 50,000 COMMON SHARES

Vancouver, B.C. – (September 4, 2014) Grenadier Resource Corp. (the “Company” or “Grenadier”) (CSE:GAD) announces that it has issued 50,000 Common shares in the capital of the Company to correct a typographical error made in a previous issuance at the close of the Arrangement Agreement, which closed on June 26, 2014.

About the Company

Grenadier is a Canadian-based mining company primarily focused on the exploration of Fly Lake Property, located in Northwestern Ontario. Grenadier intends to aggressively build its portfolio of properties.

Grenadier has a strong, multi-faceted management team with an extensive background in mining and exploration:

Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of Grenadier. Forward-looking information is based on certain key expectations and assumptions made by the management of Grenadier, including future plans for exploration and development. Although Grenadier believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because Grenadier can give no assurance that they will prove to be correct. Forward-looking statements contained in this press release are made as of the date of this press release. Grenadier disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
