DraftTeam Announces Membership Growth

Vancouver, BC, Canada, September 9, 2014 – DraftTeam Fantasy Sports Inc. (“DraftTeam” or “the Company”)(CSE:DFS)(OTCPink:DTFS-F) is excited to announce a 67% increase in its customer base, from new member signups on DraftTeam.com since the start of the 2014 NFL season. This significant growth is a direct result of ongoing marketing initiatives tied to the launch of the 2014 NFL Fantasy season on DraftTeam.com, along with the Company’s annual NFL Tournament of Champions, Qualifiers, New Pick ‘Em games and Perfect Roster bonus contests. Over the weekend DraftTeam.com was offering over a \$1,000,000 in contest prizes and over a thousand daily and weekly fantasy sports contests.

During the past few months the Daily Fantasy sector has seen a number of consolidations and a large influx of capital investment, these activities support the green-field opportunity for continued new membership growth in the sector. DraftTeam with all of its recent platform upgrades, new game logic and marketing initiatives is well positioned and ready to take advantage of these growth opportunities.

“To have double digit membership growth in just a few days proves our recent marketing strategies are working. We intend to scale and add more users over the coming weeks as football season gets into full swing.” Said John Buttedahl, CEO, DraftTeam Fantasy Sports Inc.
