The free Reach app requires iOS 7.0 or later and is compatible with iPhone, iPad, iPad mini and iPod touch.

Big Rock has added key Foursquare features to its Reach 1.0 version which significantly improve the user experience of the app. By integrating Foursquare's application programming interface (API) with Reach, Reach offers its users over 30 million venues to check into, as well as detailed venue information such as Location, Hours of Operation, Menu Information, Outdoor Seating, Prices, Credit Card Acceptance and Wi-Fi Availability. The Company is currently developing an Android version of Reach with an estimated completion in the week of October 20, 2014. A launch of the Reach app on Android will maximize the full potential of Reach as it will be available on over 90% of smartphone devices across the world, according to the latest smartphone sales data from Kantar Worldpanel ComTech.

2. Provide a general overview and discussion of the activities of management.

CEO Karl Pawlowicz oversaw the design and development of the Reach and Hostello digital products. He worked closely with technical director Mike Stinson as well as advisors Matthew Kaine and Stephane Bigue to discuss new features of Reach and Hostello. Mr. Pawlowicz also established business relationships with potential partners and additional web developers.

CFO Harald Seemann continued to establish business relationships with potential partners, web developers and investors for future financings of the Company.

Management also reviewed the marketing strategy of the company's key product, Reach. This includes events, conferences and speaking engagements in order to grow active users in every major professional hub.

On September 19, 2014, Big Rock announced that Mr. Giancarlo De Lio had resigned as Chief Operating Officer of the Company, effective September 19, 2014, to pursue other opportunities. Mr. De Lio will continue to assist the management of the Company in its ongoing product marketing initiatives and will do so in an advisory capacity.

Mr. Karl Pawlowicz, the Company's Chief Executive Officer, and Mr. Harald Seemann, the Company's Chief Financial Officer, will continue to lead the Company through the execution of its business plan and will take over Mr. De Lio's responsibilities as Chief Operating Officer. The Board of Directors of Big Rock Labs wishes to thank Mr. De Lio for his contributions during his tenure as Chief Operating Officer of the Company and looks forward to continue working with him in his new advisory role.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.

The launch of Reach on the Apple App Store happened on Tuesday, September 23, 2014.

Reach: Real Career Opportunities - www.thereachapp.com

The free Reach app requires iOS 7.0 or later and is compatible with iPhone, iPad, iPad mini and iPod touch. A short Reach tutorial follows:

What is Reach?

Reach exposes the business world around you. Find and make real connections with professionals like you - in real time. We're reinventing experiences at cafes, conferences, airports and more.

How Does Reach Work?

It's simple, browse Nearby professionals, or see who is checked-in at nearby Locations. Become more aware of the people and opportunities that surround you each day. No more missed connections.

Reach Out

Reach users can Reach Out to each other. Accepting a Reach request is like exchanging business cards. You can now message or call each other and continue the conversation after you first meet, find your connections in "Contacts".

Sign In with LinkedIn

To get started, sign in with your LinkedIn account. Don't have a LinkedIn account? No problem, you can use your email address.

Welcome to Reach

Our goal is to bring you face-to-face with real people who advance your career. Welcome to Reach!

Reach is a free mobile social networking app that utilizes location-based technology to connect professionals in their area. Reach advances career growth by helping users --- both with and without a LinkedIn account --- find and shake hands with other professionals nearby.

Since May 2003, LinkedIn has built a user base of over 300 million professionals and is now the most respected professional network worldwide. LinkedIn has encountered a problem where the bulk of these connections never develop into business or face-to-face encounters. Reach will allow LinkedIn users to connect with local professionals in their area, on the go in seconds, generating local career opportunities.

Reach strives to reinvent networking in cafes, bars, airport lounges, common areas, conferences and meetup groups.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

By 2017, mobile is expected to account for over 30 percent of online travel sales, according to data from the World Travel Market.

Big Rock's apps are designed to appeal to the fast-growing, so-called "sharing economy", which eliminates the middle men and democratizes the global economy. Jeremy Rifkin, author of "The Zero Marginal Cost Society", says the success of businesses such as Airbnb --- the online marketplace where people can book or list a room, house or even a castle --- is about the emergence of a new economic system alongside the traditional capitalist market, potentially leading to what he calls a "paradigm shift in the economy."

Although the Company believes that expectations and assumptions on which forward-looking information is based are reasonable, undue reliance should not be placed on forward-looking information because the Company can give no assurance that the information will prove to be correct. Forward-looking statements contained in this report are made as of the date of this report. The Company disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.
