Name of CNSX Issuer: GreenBank Capital Inc. ("the Issuer").

Trading Symbol: GBC

Number of Outstanding Listed Securities: 11,142,460

Date: November 2, 2014 (for the month of October 2014)

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the

point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact

GreenBank is a corporate finance investment business focusing on investing in Canadian small cap companies. GreenBank has established subsidiaries in medical marijuana, cryptocurrency investments, and cryptocurrency software. During the month GreenBank filed a Form 45-102F1 disclosing its intention to sell

up to 500,000 shares of Leo Resources Inc. GreenBank closed a non-brokered private placement (the "Private Placement") with Daniel Wettreich, a director of the Company, of 2,000,000 units (each a "Unit") of GreenBank at a price of \$0.05 per Unit, for gross proceeds of \$100,000. Each Unit consists of one common share in the capital of GreenBank and one common share purchase warrant. Each common share purchase warrant entitles the holder to acquire one additional common share in the capital of GreenBank at an exercise price of \$0.05, for 36 months after closing. The securities are subject to a hold period of four months and a day. The proceeds of the Private Placement will be used for working capital purposes.

2. Provide a general overview and discussion of the activities of management.

17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends.

The global regulatory market for cryptocurrencies is still unsettled. As individual countries and jurisdictions define how and to what extent to regulate cryptocurrency, this can impact the business of GreenBank and its subsidiaries Bitcoin Angel Capital Inc and GreenCoin Inc.

The valuation of GreenBank's natural resource investment portfolio can be impacted by price fluctuations in natural resource prices. GreenBank management is of the opinion that the current global political and economic climate is one in which the price of natural resources should generally strengthen over time.
