

## DEER HORN CORPORATE UPDATE

**Delta, British Columbia October 10, 2014 – Deer Horn Capital Inc. – CSE: DHC** Deer Horn Capital Inc. (the “Company”) is pleased to provide the following corporate update on its activities.

### Deer Horn Property

The Company has received notification from the Ministry of Energy and Mines that its *Mines Act* permit has been amended relating to a date extension. The permit has been extended to December 31, 2017.

The Company is pleased to also announce that the Deer Horn property is being studied for the purposes of a master’s thesis by a graduate student of geology at the University of British Columbia under the supervision of Dr. Lee Groat.

### Strategic Planning

The Company also wishes to announce that, while it intends to maintain its current resource portfolio, due to current market conditions in the resource sector, management has determined that it would also be prudent to evaluate new projects, including but not limited to, opportunities in the agriculture, medical, biotechnology, technology and/or resource sectors, to enhance our shareholder value. At this time no transactions are in place, nor are there any assurances that a new project will be concluded in the near future, if ever.

On behalf of the board of directors of
