Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The Company has received its audited financial statements for 2012 & 2013 which it has filed with the CSE and subject to raising the required filing fees, file them to SEDAR and then file for a revocation order to lift the current CTO and resume trading. Obtaining funding for the filing fees still ongoing but documentation to support the CTO revocation order is being prepared.

2. Provide a general overview and discussion of the activities of management.

As previously reported the Company is pursuing the distributorship announced in late November with SP Power Farms BC Ltd. FCI has executed the new agreement whereby it will become an agent for SP Power with no geographical or turbine size restrictions. FCI will attempt to provide a client for a 10-25 KWPH unit whereby FCI would fabricate the unit under direction of SP and install with end user to complete a sale and more importantly assist in the proof of concept of the SP Technology which would greatly assist in marketing the turbines.. At this time negotiations to complete this activity are still ongoing.
