

## FORM 7

### MONTHLY PROGRESS REPORT

Name of CNSX Issuer: **Appia Energy Corp.** (the "Issuer").

Trading Symbol: **"API"**

Number of Outstanding Listed Securities: **41,616,078 common shares**

Date: **April 6, 2015**

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact. **There was no activity concerning the Company's mineral properties. In Saskatchewan, claims totalling 5,306 hectares were allowed to lapse, with no significant exploration deemed to be warranted.**
2. Provide a general overview and discussion of the activities of management. **Administrative matters only. The Company exhibited at the PDAC at the beginning of March.**

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law. **N/A**
4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned. **N/A**
5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship. **N/A**
6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced. **N/A**
7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship. **N/A**
8. Describe the acquisition of new customers or loss of customers. **N/A**

Security	Number Issued	Details of Issuance	Use of Proceeds <sup>(1)</sup>

*(1) State aggregate proceeds and intended allocation of proceeds.*

15. Provide details of any loans to or by Related Persons. **The CEO is not drawing on fees owing to him for his services with the amount owing to him increasing by \$5,000 per month. The amount owing to the CEO at March 31, 2015 was \$448,306.**
16. Provide details of any changes in directors, officers or committee members. **N/A**
17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends. **The economic value of the Company's NI 43-101 reported resources at Elliot Lake is dependent on recoveries and among other factors, on the market price and the outlook for uranium and rare earth element metals ('REEs'). The uranium recent spot price of US\$39.50 per pound is an increase from \$32.70 in September, 2014 and \$35.50 in January, 2015.**

**On January 1, 2015, according to the *World Nuclear Association* there were 437 operable reactors world-wide, with 70 reactors under construction and 494 reactors ordered, planned or proposed. A significant shortfall of uranium fuel is projected for the next five years.**

**China's production of REEs is no longer adequate to supply its own requirement of certain REEs. The developing shortage could increase prices to a level which could make new mining projects economically viable over the next few years.**

**Appia's mineral resources at Elliot Lake, Ontario are among the world's largest, with a combined uranium and REEs content proven to be recoverable in the same flotation process and subsequent recovery treatments. Further recovery testing is projected to increase the percentage of Rees recoverable.**
