

FORM 7

MONTHLY PROGRESS REPORT

Name of CNSX Issuer: Dundee Sustainable Technologies Inc. (the "Issuer").

Trading Symbol: DST

Number of Outstanding Listed Securities 231,706,201

Date: April 2, 2015

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

General Instructions

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

Report on Business

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

The construction of the demonstration plant commenced in June 2013 in Thetford Mines in the Province of Quebec continued in March 2015.

The budget for construction and operation of the plant, which was originally established at \$27 million, has been revised to \$25 million due to savings on the

acquisition costs of some major equipment and close follow-up of the construction costs.

The pre-commercialization demonstration plant will have a capacity of 15 tonnes per day in order to assess on a pre-industrial scale DSTI's chlorination extraction technology under continuous operating conditions.

Processing of ores from various deposits.

2. Provide a general overview and discussion of the activities of management.

Regular activities of management. Year-end accounting work. Filing of audited financial statements for the year 2015 and accompanying MD&A.

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law. **N/A**
4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.

In the consolidated financial statements of 2014 issued on March 24, 2015, the Corporation recorded impairment charges of all costs on the Shinning Tree mining properties. These properties were acquired as part of the acquisition of Creso Exploration Inc. in 2014 with the intent of using the minerals extracted from the properties to further advance the testing of the Corporation's proprietary technologies processes and for future processing. The Corporation has subsequently decided to foreclose any further investment or funding of the properties in order to de-risk the extraction cost and is in the process of arranging for alternative means to obtain the minerals needed to complete the testing.

5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship. **N/A**
6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced. **N/A**
7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the

disposition was to a Related Person of the Issuer and provide details of the relationship.

During March 2015, the Issuer acquired equipment for the demonstration plant.

8. Describe the acquisition of new customers or loss of customers. **N/A**
9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks. **N/A**
10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs. **N/A**
11. Report on any labour disputes and resolutions of those disputes if applicable. **N/A**
12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings. **N/A**

(1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

On January 8, 2014, Dundee agreed to loan \$3,000,000 to the Corporation (the “First Bridge Loan”). The funds from the Bridge Loan were disbursed on January 31, 2014. The Bridge Loan is secured by the Corporation’s assets, bears interest at the rate of 12.68% per annum. The interest is payable concurrently with the repayment of the Bridge Loan. The Bridge Loan shall only be used to fund (i) the building of a demonstration plant and (ii) for general corporate purposes.

On July 3, 2014, Dundee agreed to make available, under certain conditions, an additional \$3,000,000 to the Corporation (“the “Second Bridge Loan”) in increments of no less than \$250,000 under the same terms as the Bridge Loan of January 8, 2014. From July 4 to December 31, 2014 an aggregate of \$2,650,000 was advanced by Dundee to the Corporation.

On July 10, 2014, Dundee sold, transferred, assigned and conveyed the Bridge Loans to its wholly-owned subsidiary, Dundee Resources Limited.

On February 19, 2015, the principal amount of the Second Bridge Loan was increased to \$4,650,000 and the maturity dates of the First and Second Bridge Loans were extended to the earlier of November 30, 2015 and the date at which the Corporation raises the sum of \$10,000,000 or greater by way of debt or equity. An additional advance of \$900,000 was made on the same date and an amount of \$800,000 was advanced on March 17, 2015.

The Corporation has the option to repay the Bridge Loan at any time.

At March 31, 2015, Dundee owned 55% of the subordinated voting shares of the Issuer, all of the outstanding multiple voting shares and 50,000,000 warrants at an exercise price of \$0.10 until July 9, 2015.
