BlackIce and the State Bank of Vietnam To Host Basel Compliance Seminar

Vancouver, BC – April 9, 2015 -- BlackIce Enterprise Risk Management Inc. (BlackIce) (CSE: BIS) is proud to announce that it will be co-hosting and presenting at an official seminar on April 22, 2015 for the State Bank of Vietnam (SBV).

The workshop will be held at SBV headquarters in Hanoi for Vietnam's leading financial institutions, with presentations by BlackIce, SBV, and BICI (the Bank Training and Consulting Institute of Manpower, Banking & Finance) focusing on Basel Accord 'Best Practices' project management. BlackIce will present its Canadian industry-tested approach to project management, showcasing the BlackIce Governance and Compliance Database (GCD™), and BlackIce's industry-leading ERA™ reporting library, and how these products can enable institutions to effectively manage their Basel implementation and compliance initiatives. Over ninety Basel stakeholders from over thirty banks are expected to attend.

About BlackIce Enterprise Risk Management Inc.

BlackIce has developed an *Enterprise Risk Aggregation (ERA™)* solution, an open platform software application that delivers end-to-end data and analytical standards to meet all of the regulatory expectations of Basel (I, II & III) as well as the BCBS Risk Data Aggregation & Reporting (RDA) requirements, and the FSB (Financial Stability Board) Legal Entity Identifier program for monitoring concentration risk.

The company's *Governance & Compliance Database (GCD™)* is an application that allows financial institutions to assess, govern and manage adherence and compliance to regulatory guidelines across multiple regulatory requirements including: Basel II/III; Recovery Plans; Risk Data Aggregation and Risk Reporting and Financial Stability Oversight.
