PRESS RELEASE

APRIL 17, 2015

Invictus MD Appoints Brayden R. Sutton as VP, Business Development

Vancouver, BC, April 17th, 2015 - INVICTUS MD STRATEGIES CORP. (the "Company") (CSE: IMH; FRA: 8IS) is pleased to announce the appointment of Mr. Brayden R. Sutton as Vice President of Business Development.

Brayden Sutton is a visionary business builder with over 15 years experience in creating teams and implementing ideas. He has served as the Vice President of Supreme Pharmaceuticals Inc. (CSE: SL) and is the founder of Cannabis Health Sciences Inc., recently acquired by Invictus MD (see press release dated February 12, 2015), which owns and operates the Cannabis Health Journal.

Mr. Sutton brings over a decade of capital markets expertise to the Invictus Team; he has led various initiatives in multiple sectors and has been involved with numerous public offerings, IPOs and RTOs. He has a proven history in business development and specializes in finding high-growth businesses and bringing them into revenue and profitability.

Dan Kriznic, President and CEO commented, "We are excited to have Brayden join our team. His years of experience in the medicinal cannabis space coupled with his ability to develop long-term relationships with stakeholders will support our growth strategy both now and well into the future. On Behalf of the Company, we look forward to utilizing his talents to continually increase shareholder value."

Invictus MD targets companies with proven brands, strong customer focus, and significant growth potential. We not only provide capital to meet these objectives but also years of management experience from a team that has been successful in all facets of business from start-ups to running large international organizations. The fundamental core of our operations is centered on the vast opportunities within fragmented industries.

Invictus MD works in partnership with management teams to increase shareholder value through business planning and process integration, developing and executing growth strategies, leveraging our experience and relationships, and structuring and deploying the proper capital to support long-term growth. Our prudent approach to both investing in and developing successful companies ensures successful execution of the business plan in both times of economic expansion and contraction.
