REPORT ON BUSINESS

- 1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

The Issuer sold substantially all of its business and assets to an affiliate of H.I.G. Capital ("H.I.G.") a prominent private equity investment fund headquartered in Miami, Florida, on July 27, 2012 (the "Transaction"). The Transaction was effected and court ("Court") approved pursuant to the Companies' Creditors Arrangement Act (Canada) ("CCAA") and the U.S. Bankruptcy Code.

A portion of the cash proceeds received by the Issuer on closing of the Transaction was used to satisfy all amounts owing to the Issuer's existing secured lenders. The remainder of those proceeds is being held by Alvarez & Marsal Canada Inc., the CCAA Court-appointed monitor (the "Monitor"). The Monitor was engaged by the Issuer and appointed by the Court to oversee activities of the Issuer and to report and make recommendations to the Court in that regard. The Issuer expects that the remaining proceeds of sale will be sufficient to pay all of its known unsecured creditors and sufficient to permit distributions to its unitholders after all unsecured creditor claims have been proven and satisfied. Prior to any distribution of the balance of funds held by the Monitor to the unsecured creditors of the Issuer and its subsidiaries, a Court-approved claims process was undertaken to identify unsecured creditor claims against the Issuer and its subsidiaries and adjudicate or resolve any claims filed. The deadline for filing Proofs of Claim was October 31, 2012. On January 21, 2015 the Issuer announced that the Plan of Compromise or Arrangement (the "**Plan**") of, *inter alia*, the Issuer dated May 21, 2014, as amended would be implemented on January 22, 2015 (the "**Plan Implementation Date**").

On the Plan Implementation Date, unitholders of the Issuer as of December 18, 2014 (the “Record Date”) were entitled to receive an initial distribution from the Issuer pursuant to the Plan of \$0.155570 USD per unit of the Issuer held on the Record Date. Pursuant to the Plan, the Monitor transferred the aggregate value of the initial distribution, on behalf and for the account of the Issuer, to the Issuer’s transfer agent (the “Transfer Agent”) on the Plan Implementation Date. The Plan required that the Transfer Agent distribute the initial distribution to each of the Issuer’s registered unitholders as soon as reasonably practicable and in no event later than five business days following the receipt of funds from the Monitor.

Pursuant to the Plan, the Monitor is holding the Administrative Costs Reserve, the Insurance Deductible Reserve and the Unresolved Claims Reserve (as each such term is defined in the Plan) (collectively, the “Reserves”) on behalf of the Issuer and its subsidiaries (collectively, the “Arctic Glacier Parties”). The value of these Reserves on January 22, 2015, the Plan implementation date, was \$10,000,000 USD, \$850,000 USD and \$16,562,220 USD, respectively, representing an aggregate value of \$27,412,220 USD.

Pursuant to the Plan, to the extent that there is any balance remaining in the Reserves following payment of all Administrative Reserve Costs (as such term is defined in the Plan), the Monitor, on behalf of the Arctic Glacier Parties, will declare subsequent unitholder distribution record dates as necessary to distribute the remaining balance. The date and value of any subsequent distributions will be announced by way of a press release. In such circumstances, the Monitor, on behalf of the Arctic Glacier Parties, will provide all subsequent distributions to the Issuer’s transfer agent, which will then distribute such amounts on a *pro rata* basis to the unitholders holding units on the applicable subsequent unitholder distribution record dates, unless the cost of making any such payments is prohibitive relative to the remaining balance. Prior to any subsequent distribution(s) being made a further Court-approved claims process will be undertaken to identify unsecured creditor claims against the Issuer and its subsidiaries arising post October 31, 2012 and to adjudicate or resolve any such claims filed.

2. Provide a general overview and discussion of the activities of management.

The activities of the Monitor are focused on overseeing the CCAA process.
