DEER HORN TO OPEN FIRST BODHI NATURAL MARKET LOCATION ON JUNE 6 IN MAPLE RIDGE, BRITISH COLUMBIA

Vancouver, British Columbia, June 4, 2015 – Deer Horn Capital Inc. (CSE:DHC) (“Deer Horn” or the “Company”) is very pleased to announce that the first natural and organic food store under its 100% owned Bodhi Natural Market brand will open on Saturday, June 6, in Maple Ridge, British Columbia.

The 6,800-square-foot location is a full line natural and organic store, carrying organic produce, grocery (frozen foods, beverages, snacks, canned and dry goods, dairy), household supplies, as well as supplements and other healthy living products. There is also a coffee bar, deli counter and comfortable seating area, plus an extensive selection of nutritious takeout items for shoppers on the go.

Bodhi Natural Market is proud to offer its customers a number of products either unique to its store or in otherwise limited availability. These include Hopcott Natural Meats, a popular local brand of natural meat currently available only at the Hopcott family’s store in the British Columbia municipality of Pitt Meadows, and Frog Friendly Wild coffee, a brand of non-farmed coffee sold primarily at select outlets in Western Canada.

The Maple Ridge store will conduct a soft opening on June 6 and operate the entire week so that staff can get accustomed to their positions.

The official Grand Opening will take place on Saturday, June 13. The event will feature displays and samples from some 15 vendors, gift basket prize draws and be extensively advertised. The store is located at 11920, 207th Street in Maple Ridge.

“My team built their careers around opening and operating food stores offering healthy choices,” said Lance Sutherland, President of Bodhi Natural Market. “For us to now have a store under a new brand that we created is extremely special. We are focused on making sure our flagship location represents everything we envision for the Bodhi Natural Market brand – value, quality and a comfortable atmosphere defined by the best customer service in the industry. Maple Ridge is a wonderful community that our management team knows very well, and we look forward to serving it for many years to come.”

Added Deer Horn President and CEO Tyrone Docherty, “In just over four months, we went from a basic concept to having an original brand, construction finished on our first location and products on the shelf from some 150 vendors. I think that shows the potential this team has to build on what we are confident will be a highly successful first store. The Bodhi Natural Market in Maple Ridge and the principles it embodies will be our cornerstone as we grow with new locations in the future.”

Bodhi Natural Market, owned 100% by Deer Horn Capital, is headed by 25-year industry veteran Lance Sutherland. The Bodhi Natural Market team possesses over 100 years of collective conventional and natural/organic grocery experience in all aspects of grocery development and management including marketing, financial oversight, supply chain management and customer service.
