**PROGRESS REPORT**

---

**Name of CNSX Issuer:** Robix Alternative Fuels, Inc. (*the "Issuer"*)

**Trading Symbol:** RZX

**Number of Outstanding Listed Securities:** 16,841,103 Common Shares

**Date:** June 4, 2015

**REPORT ON BUSINESS**

**1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**

*During the month of May 2015, the Issuer continued in marketing activities primarily to introduce and to demonstrate its Clean Ocean Vessel design patent (the "COV") to various interested parties within industry, with an emphasis on the Mexico marketplace and the eastern Canadian ocean environment.*

*The Issuer continued to demonstrate the concept of the COV to consultants who specialize in industry awareness and securing financial support from various potential stakeholders, and to various capital market members.*

*During the month of May 2015, the Issuer spent considerable time and effort to market the COV technology, and it's first completed 40 Foot COV commercial unit. Activity involved working closely with Rayco Steel Ltd, in the logistical issues related to delivery of the COV to a site in Mexico, where it is anticipated that the 40 Foot COV will be demonstrated and sufficient data accumulated in order to satisfy a potential customer and potential Joint Venture partners in Mexico.*

*During the month of May 2015, the Issuer embarked on a branding program to highlight the newly built COV by creating a "C Series" brand, where the newly built 40 Foot vessel has been included as a "C 160". This branding concept will allow the Issuer to add various sized vessels to the future anticipated fleet of clean ocean vessels, and also allow for other technologies to compliment the C Series in future expanded technology additions.*

**2. Provide a general overview and of the activities of management.**

*Management of the Issuer engaged in activities primarily related to the introduction and demonstration of the design principals of the COV to parties interested in the commercial application of the technology, and the development of the first COV engineered for the 21<sup>st</sup> century.*

*In conjunction with marketing of the COV technology to industry participants, management introduced the Issuer to capital market participants, and in addition, to consultants who specialize in the securing of government sponsored loan and grant programs, and securing sufficient equity capital for the continued development of additional*

*commercial COV models, including sizes and designs capable of mechanical recovery of oil spilled on lakes, rivers, and also in other oil/water separation applications.*

- 3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.**

*Not applicable*

- 4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.**

- 5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.**

*During the month of May 2015, Corris Technologies Mexico SA de CV, the Issuer's Mexican subsidiary, entered into an engagement agreement with Alva, O'Driscoll & Asociados SC in order to, among other things, identify and present potential business-related transactions to Robix and Corris and to assist with bringing such transactions to a close. The engagement agreement contemplates services to be provided with respect to potential business opportunities in certain specified jurisdictions, with the initial focus on Mexico.*

*During the month of May 2015 the Issuer, through its wholly-owned subsidiary, signed a non-binding Letter of Intent to pursue a business relationship with Petrolmeca S.A de C.V of Tobacco State, Mexico. The purpose of the LOI is to reflect the desire of both parties to agree upon terms of a commercial transaction, whereby Robix's Clean ocean vessel technology will be introduced to Mexico and utilized for oil spill recovery and remediation, with the initial area of focus being the state of Tabasco.*

- 6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.**

*Not applicable*

- 7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and**

**of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.**

*Not applicable.*

**8. Describe the acquisition of new customers or loss of customers.**

*Not applicable.*

**9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.**

*The Issuer is embarking on a program to brand the COV products as "C Series" of clean ocean vessels.*

**10. Report on any employee hiring, terminations or lay-offs with details of anticipated length of lay-offs.**

*Not applicable.*

**11. Report on any labour disputes and resolutions of those disputes if applicable.**
