

## FORM 7

### MONTHLY PROGRESS REPORT

Name of CNSX Issuer: Dundee Sustainable Technologies Inc. (the "Issuer" or "DST").

Trading Symbol: DST

Number of Outstanding Listed Securities 247,090,816

Date: June 5, 2015

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by Exchange Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the Exchange website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.

**The construction of the demonstration plant, which commenced in June 2013 in Thetford Mines in the Province of Quebec, is due to be completed in June 2015.**

The commissioning of the demonstration facilities is scheduled for completion in a matter of weeks.

The demonstration plant has a capacity of 15 tonnes per day and will assess on an industrial scale DST's chlorination extraction technology under continuous operating conditions. The demonstration plant will offer the first test of DST's chlorination extraction technology in an operating environment with industrial conditions.

The first lot of material to be processed is a gold/copper sulphide concentrate that was already received from Bulgaria. This material will allow DST to demonstrate the amenability of its process to extract gold in the presence of copper on a material coming from a region where cyanide is banned. The operation of the plant is expected to begin in July 2015 and should be completed during the fourth quarter of the year.

2. Provide a general overview and discussion of the activities of management.

**Regular activities of management. Filing of the unaudited consolidated financial statements for the quarter ended March 31, 2015 and the accompanying management discussion and analysis.**

**Closing of a \$5 million financing with Investissement Québec (the "Financing"), consisting of a secured convertible loan in an amount of up to \$4 million (the "Loan") and the issuance of 15,384,615 subordinate voting shares at a price of \$0.065 per share, for proceeds to DST of \$1 million (the "Private Placement"). The Financing will be used by DST to fund completion and operation of its demonstration plant, the installation of a concentrator and for working capital purposes.**

**Refer to items 13 and 14 for further details on the Loan and the Private Placement respectively.**

3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law. **N/A**
4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned. **N/A**
5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship. **N/A**

6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.

**The \$200,000 unsecured bridge loan contracted on April 22, 2015 was fully repaid in May 2015.**

7. Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.

**During May 2015, for the completion of the demonstration plant, some material and equipment were acquired.**

8. Describe the acquisition of new customers or loss of customers. **N/A**
9. Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks. **N/A**
10. Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs. **N/A**
11. Report on any labour disputes and resolutions of those disputes if applicable. **N/A**
12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings. **N/A**
13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

**The Issuer completed a \$4 million Loan consisting in secured convertible debenture (the "Debenture") with Investissement Québec. The proceeds will be used to fund completion and operation of the demonstration plant and the installation of a concentrator.**

**The Debenture will mature in five years, bears interest at a rate of 8% per annum, payable quarterly, and can be converted after one year at the holder's option into subordinate voting shares of the Issuer at a conversion price equal to the closing market price of the shares on the day prior to conversion. After the first anniversary of the Debenture, the Issuer has the right to redeem the Debenture subject to a 10% premium.**

**Investissement Québec will advance the funds in a maximum of four instalments, during the construction and operation of the demonstration plant, based on liquidity needs, subject to a number of conditions.**

The Loan is secured by a hypothec over all of the Issuer's property other than its intellectual property (the "IQ Hypothec) and is guaranteed by Dundee Corporation, the Issuer's principal shareholder, in an amount of up to \$1.5 million. The hypothec ranks pari passu with the hypothec securing the advances by Dundee Resources Limited. Refer to Item 15.

14. Provide details of any securities issued and options or warrants granted. **N/A**

<b>Security</b>	<b>Number Issued</b>	<b>Details of Issuance</b>	<b>Use of Proceeds<sup>(1)</sup></b>

(1) State aggregate proceeds and intended allocation of proceeds.

15. Provide details of any loans to or by Related Persons.

On January 8, 2014, Dundee Resources Limited ("Dundee") agreed to loan \$3,000,000 to the Corporation (the "First Bridge Loan"). The funds from the Bridge Loan were disbursed on January 31, 2014. The Bridge Loan is secured by the Corporation's assets (the "Security"), bears interest at the rate of 12.68% per annum. The interest is payable concurrently with the repayment of the Bridge Loan. The Bridge Loan shall only be used to fund (i) the building of a demonstration plant and (ii) for general corporate purposes.

On July 3, 2014, Dundee agreed to make available, under certain conditions, an additional \$3,000,000 to the Corporation ("the "Second Bridge Loan") under the same terms as the Bridge Loan of January 8, 2014. From July 4 to December 31, 2014 an aggregate of \$2,650,000 was advanced by Dundee to the Corporation.

On July 10, 2014, Dundee sold, transferred, assigned and conveyed the Bridge Loans to its wholly-owned subsidiary, Dundee Resources Limited.

On February 19, 2015, the principal amount of the Second Bridge Loan was increased to \$4,650,000 and the maturity dates of the First and Second Bridge Loans were extended to the earlier of November 30, 2015 and the date at which the Corporation raises the sum of \$10,000,000 or greater by way of debt or equity. An additional advance of \$900,000 was made on the same date and an amount of \$800,000 was advanced on March 17, 2015. On April 17, 2015, an additional amount of \$300,000 was advanced to the Corporation.

The Corporation has the option to repay the Bridge Loans at any time.

At May 31, 2015, Dundee owned 52% of the subordinated voting shares of the Issuer, all of the outstanding multiple voting shares and 50,000,000 warrants exercisable at \$0.10 until July 9, 2015.

As part of the \$4 million Loan referred to in Item 13, Dundee agreed to amend the Security by removing the intellectual property. The Security and the IQ Hypothec rank pari passu.

16. Provide details of any changes in directors, officers or committee members. **N/A**
17. Discuss any trends which are likely to impact the Issuer including trends in the Issuer's market(s) or political/regulatory trends. **N/A**
