## **Auxellence announces Listing on Frankfurt Stock Exchange and Corporate Update**

VANCOUVER, BC, Friday, June 5, 2015 – Auxellence Health Corporation (CSE:AID, OTCQB: AXHLF, FRANKFURT: AUH, WKN: A14SUT) is pleased to announce that its common shares has been approved for trading on under the symbol "AUH"; WKN: A14SUT on the Quotation Board of the Frankfurt Stock Exchange, also known as Borse Frankfurt (FWB).

Auxellence has had a very busy year to date and would like to provide the following update:

### **2015 Corporate Update**

- Auxellence previously announced that it had entered into an agreement with a venture capital firm (Intrinsic Venture Corp."Intrinsic") to participate in debt and equity financing of the Company and to assist in developing a United States rollout strategy for the Company's Health Technology and System. – The company is appreciative of the efforts of Intrinsic and the funding provided, however terms within this agreement have expired and the company has now terminated the agreement with the agreement not fully completed. The company is in discussions with Intrinsic to determine a course of action to continue to work with management of Intrinsic.
- Auxellence previously announced that it had signed a USA Distribution Agreement. – This agreement has not been completed and has now been terminated. The company is focusing on its Canadian roll-out.
- Auxellence continues to complete the previously approved Plan of Arrangement from Supreme Court of BC. The company expects to complete all push-out shares for the various companies from the Plan of Arrangement by the end of June 2015. An updated news release will be issued upon completion.
- Auxellence had acquired the intellectual property underlying the company's interactive health care system (subject to certain terms and conditions). – The company is negotiating certain funding terms that have not been fulfilled.
- Auxellence is in negotiations to extend terms within the General Service Agreement (GSA) with its primary medical device manufacturer and commercial operator as the company.
- The company continues to review opportunities in the medical monitoring, diagnostics and therapeutics fields, and hopes to be able to bring significant value propositions to potential customers and shareholders. Management expects to provide further updates in the near future and in the meantime continues to work on behalf of the shareholders.
