

## GEONOVUS MEDIA CORP.

### 2011 STOCK OPTION PLAN AS AMENDED JUNE 24, 2013 AND FURTHER AMENDED JUNE 9, 2015

#### 1. Purpose

The purpose of the Stock Option Plan (the “**Plan**”) of **GEONOVUS MEDIA CORP.**, a company incorporated under the *Business Corporations Act* (British Columbia) (the “**Company**”), is to advance the interests of the Company by encouraging the directors, officers, employees and consultants of the Company, and of its subsidiaries and affiliates, if any, to acquire common shares in the share capital of the Company (the “**Shares**”), thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentive in their efforts on behalf of the Company in the conduct of its affairs.

#### 2. Administration

The Plan shall be administered by the Board of Directors of the Company or by a special committee of the directors appointed from time to time by the Board of Directors of the Company pursuant to rules of procedure fixed by the Board of Directors (such committee or, if no such committee is appointed, the Board of Directors of the Company is hereinafter referred to as the “**Board**”). A majority of the Board shall constitute a quorum, and the acts of a majority of the directors present at any meeting at which a quorum is present, or acts unanimously approved in writing, shall be the acts of the directors. Subject to the provisions of the Plan, the Board shall have authority to construe and interpret the Plan and all option agreements entered into thereunder, to define the terms used in the Plan and in all option agreements entered into thereunder, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations necessary or advisable for the administration of the Plan. All determinations and interpretations made by the Board shall be binding and conclusive on all participants in the Plan and on their legal personal representatives and beneficiaries. Each option granted hereunder may be evidenced by an agreement in writing, signed on behalf of the Company and by the optionee, in such form as the Board shall approve. Each such agreement shall recite that it is subject to the provisions of this Plan. Each option granted by the Company prior to the date of the approval of the Plan by the shareholders of the Company, including options granted under previously approved stock option plans of the Company, be and are continued under and shall be subject to the terms of the Plan after the Plan has been approved by the shareholders of the Company.

#### 3. Stock Exchange Rules

All options granted pursuant to this Plan shall be subject to rules and policies of any stock exchange or exchanges on which the common shares of the Company are then listed and any other regulatory body having jurisdiction hereinafter (hereinafter collectively referred to as, the “**Exchange**”).

#### 4. Shares Subject to Plan

Subject to adjustment as provided in Section 15 hereof, the Shares to be offered under the Plan shall consist of common shares of the Company's authorized but unissued common shares. The aggregate number of Shares issuable upon the exercise of all

options granted under the Plan shall not exceed 10% of the issued and outstanding common shares of the Company from time to time. If any option granted hereunder shall expire or terminate for any reason in accordance with the terms of the Plan without being exercised, the unpurchased Shares subject thereto shall again be available for the purpose of this Plan.

5. **Maintenance of Sufficient Capital**

The Company shall at all times during the term of the Plan reserve and keep available such numbers of Shares as will be sufficient to satisfy the requirements of the Plan.

6. **Eligibility and Participation**

Directors, officers, consultants (either individual or consultant companies), and employees of the Company or its subsidiaries, and employees of a person or company which provides management services to the Company or its subsidiaries (“**Management Company Employees**”) shall be eligible for selection to participate in the Plan (such persons hereinafter collectively referred to as “**Participants**”). Subject to compliance with applicable requirements of the Exchange, and except in relation to consultant companies, Participants may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Plan in the same manner as if the options were held by the Participant. Subject to the terms hereof, the Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Shares to be subject to each option. In the case of employees or consultants of the Company or Management Company Employees, the option agreements to which they are party must contain a representation of the Company that such employee, consultant or Management Company Employee, as the case may be, is a bona fide employee, consultant or Management Company Employee of the Company or its subsidiaries. A Participant who has been granted an option may, if such Participant is otherwise eligible, and if permitted under the policies of the Exchange, be granted an additional option or options if the Board shall so determine.

7. **Exercise Price**

The exercise price of the Shares, subject to each option, shall be determined by the Board but shall not, in any event, be less than the greater of the closing market price of the Shares as traded on the Exchange on (a) the trading day prior to the date of grant of the options; and (b) the date of grant of the options.

8. **Number of Optioned Shares**

- (a) The number of Shares subject to an option granted to any one Participant shall be determined by the Board, but no one Participant shall be granted an option which exceeds the maximum number permitted by the Exchange.
- (b) No single Participant may be granted options to purchase a number of Shares equaling more than 5% of the issued common shares of the Company in any twelve-month period, unless the Company has obtained disinterested shareholder approval.
- (c) Options shall not be granted if the exercise thereof would result in the issuance of more than 2% of the issued common shares of the Company in any twelve-month period to any one consultant of the Company (or any of its subsidiaries).

- (d) Options shall not be granted if the exercise thereof would result in the issuance of more than 1% of the issued common shares of the Company in any twelve month period to employees of the Company (or of any of its subsidiaries) conducting investor relation activities.
- (e) Options issued to Consultants performing Investor Relations Activities will become vested and exercisable in stages over a minimum period of 12 months, with no more than 25% of the option vesting in any three month period.

9. **Duration of Option**

Each option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination as provided in Sections 11 and 12, provided that in no circumstances shall the duration of an option exceed the maximum term permitted by the Exchange.

10. **Option Period, Consideration and Payment**

- (a) The option period shall be a period of time fixed by the Board not to exceed the maximum term permitted by the Exchange, provided that the option period shall be reduced with respect to any option as provided in Sections 11 and 12 covering cessation as a director, officer, consultant, employee or Management Company Employee of the Company or its subsidiaries, or death of the Participant.
- (b) If an option is cancelled prior to its expiry date, the Company shall not grant new options to the same person until 30 days have elapsed from the date of cancellation.
- (c) Subject to any vesting restrictions imposed by the Exchange, the Board may, in its sole discretion, determine the time during which options shall vest and the method of vesting, or that no vesting restriction shall exist.
- (d) Subject to any vesting restrictions imposed by the Board, options may be exercised in whole or in part at any time and from time to time during the option period. To the extent required by the Exchange, no options may be exercised under this Plan until this Plan has been approved by a resolution duly passed by the shareholders of the Company.
- (e) Except as set forth in Sections 11 and 12, no option may be exercised unless the Participant is at the time of such exercise a director, officer, consultant, or employee of the Company or any of its subsidiaries, or a Management Company Employee of the Company or any of its subsidiaries.
- (f) The exercise of any option will be contingent upon receipt by the Company at its head office of a written notice of exercise, specifying the number of Shares with respect to which the option is being exercised, accompanied by cash payment, certified cheque or bank draft for the full purchase price of such Shares with respect to which the option is exercised. No Participant or his or her or its legal representatives, legatees or distributees will be, or will be deemed to be, a holder of any common shares of the Company unless and until the certificates for Shares issuable pursuant to options under the Plan are issued to him or her or it under the terms of the Plan.

11. **Ceasing To Be a Director, Officer, Consultant or Employee**

If a Participant shall cease to be a director, officer, consultant, employee of the Company, or its subsidiaries, or ceases to be a Management Company Employee, for any reason (other than death), such Participant may exercise his or her or its Option to the extent that the Participant was entitled to exercise it at the date of such cessation, provided that such exercise must occur within 90 days after the Participant ceases to be a director, officer, consultant, employee or a Management Company Employee, unless such Participant was engaged in investor relations activities, in which case such exercise must occur within 30 days after the cessation of the Participant's services to the Company. Nothing contained in the Plan, nor in any option granted pursuant to the Plan, shall as such confer upon any Participant any right with respect to continuance as a director, officer, consultant, employee or Management Company Employee of the Company or of any of its subsidiaries or affiliates.

12. **Death of Participant**

In the event of the death of a Participant, the option previously granted to him or her shall be exercisable only within the one (1) year after such death and then only:

- (a) by the person or persons to whom the Participant's rights under the option shall pass by the Participant's will or the laws of descent and distribution; and
- (b) if and to the extent that he or she was entitled to exercise the Option at the date of his or her death.

13. **Rights of Optionee**

No person entitled to exercise any option granted under the Plan shall have any of the rights or privileges of a shareholder of the Company in respect of any Shares issuable upon exercise of such option until certificates representing such Shares shall have been issued and delivered.

14. **Proceeds from Sale of Shares**

The proceeds from the sale of Shares issued upon the exercise of options shall be added to the general funds of the Company and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

15. **Adjustments**

If the outstanding common shares of the Company are increased, decreased, changed into or exchanged for a different number or kind of shares or securities of the Company through re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation, an appropriate and proportionate adjustment shall be made by the Board in its discretion in the number or kind of Shares optioned and the exercise price per Share, as regards previously granted and unexercised options or portions thereof, and as regards options which may be granted subsequent to any such change in the Company's capital. Adjustments under this Section shall be made by the Board whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Share shall be required to be issued under the Plan on any such adjustment. Upon the liquidation or dissolution of the Company, the Plan shall terminate, and any options theretofore granted hereunder shall terminate. In the event of a re-organization, merger or consolidation of the Company

with one or more Companies as a result of which the Company is not the surviving Company, or upon the sale of substantially all of the undertaking of the Company or more than eighty (80%) percent of the then outstanding common shares of the Company to another Company (a “**Change of Control**”) all options granted which have not yet vested shall immediately vest without consideration as to time or any other vesting provision set forth in the Plan or stock option agreement governing such options, provided that such vesting is not in violation of the then current policies of the Exchange, if applicable, and all Participants then entitled to exercise options then outstanding shall have the right at such time immediately prior to consummation of the Change of Control to exercise their options to the full extent not theretofore exercised. Upon consummation of the Change of Control, the Plan shall terminate and any options theretofore granted hereunder that remain unexercised upon termination shall also terminate.

16. **Transferability**

All benefits, rights and options accruing to any Participant in accordance with the terms and conditions of the Plan shall not be transferable or assignable unless specifically provided herein or the extent, if any, permitted by the Exchange. During the lifetime of a Participant any benefits, rights and options may only be exercised by the Participant.

17. **Amendment and Termination of Plan**

Subject to applicable approval of the Exchange, the Board may, at any time, suspend or terminate the Plan. Subject to applicable approval of the Exchange, the Board may also at any time amend or revise the terms of the Plan; provided that no such amendment or revision shall alter the terms of any options theretofore granted under the Plan, unless shareholder approval, or disinterested shareholder approval, as the case may be, is obtained for such amendment or revision.

18. **Necessary Approvals**

The ability of a Participant to exercise options and the obligation of the Company to issue and deliver Shares in accordance with the Plan is subject to any approvals which may be required from shareholders of the Company and any regulatory authority or stock exchange having jurisdiction over the securities of the Company. If any Shares cannot be issued to any Participant for whatever reason, the obligation of the Company to issue such Shares shall terminate and any option exercise price paid to the Company will be returned to the Participant.

19. **Disinterested Shareholder Approval**

(a) The Company must obtain disinterested shareholder approval of stock options if the Plan, together with all of the Company's previously established and outstanding stock option plans or grants, could result at any time in:

- (i) the number of shares reserved for issuance under stock options granted to Related Persons exceeding 10% of the issued shares;
- (ii) the grant to Related Persons, within a 12 month period, of a number of options exceeding 10% of the issued shares; or
- (iii) the issuance to any one optionee, within a 12 month period, of a number of shares exceeding 5% of the issued shares.

- (b) If (a) applies, the proposed grant(s) or Plan must be approved by a majority of the votes cast by all shareholders of the Company at a shareholders' meeting excluding votes attaching to shares beneficially owned by:
  - (i) Related Persons to whom options may be granted under the stock option plan; and
  - (ii) Associates of persons referred to in (b)(i).
- (c) Holders of non-voting and subordinate voting shares must be given full voting rights on a resolution that requires disinterested Shareholder approval.

20. **Effective Date of Plan**

The Plan has been adopted by the Board of the Company subject to the approval of the Exchange and, if so approved, subject to the discretion of the Board, the Plan shall become effective upon such approvals being obtained.

21. **Interpretation**

The Plan will be governed by and construed in accordance with the laws of the Province of British Columbia.

MADE by the Board of Directors of the Company as evidenced by the signature of the following director duly authorized in that behalf effective June 9, 2015, and approved by the shareholders of the Company on July 7, 2015.
