

**CHROMEDX SUBMITS PCT PATENT APPLICATION FOR HEMOPALM™
BLOOD ANALYSIS SYSTEM**

TORONTO, ONTARIO -- (August 28, 2015) - ChroMedX Corp. (CSE: CHX) (OTCQB: MNLIF) (Frankfurt: EIY2) (the "**Company**"), a developer of in vitro diagnostics and point-of-care testing (POCT) technologies is pleased to announce the filing of a PCT (Patent Cooperation Treaty) Patent Application pertaining to the HemoPalm™ Cartridge and Analyzer system called "Joint Spectroscopic and Biosensor System for Point-of-Care Testing" (PCT/CA2015/050455)

PCT/CA2015/050455 has the potential to effectively extend the lifespan of the Company's issued US Patent pertaining to the HemoPalm™ system, and to provide patent protection outside the US, in particular Europe, China and India. The application claims priority to U.S. Patent Application Nos. 62/114,700 and 62/006,066.

"We are continuing our efforts to expand the Company's Intellectual Property portfolio and are very pleased with the progress made to date", said Dr. Wayne Maddever, ChroMedX Corp., President & CEO

The Company's HemoPalm™ and Ultrafiltration technologies are covered by several issued and pending patents. A list of issued and pending patents can be found on the company's website here: <http://www.chromedx.com/intellectual-property/>

Other Business

ChroMedX is pleased to announce the engagement of JV Public Relations New York to lead its PR efforts in the United States.

JV Public Relations New York (JVPRNY) is a full-service life science communications agency working to meet the needs of emerging and innovative life science companies. With a collective 30 years of experience, JVPRNY's founder, Janet Vasquez ran award-winning global and local public relations campaigns for an array of life science, pharmaceutical and biotechnology clients, while simultaneously managing highly successful programs for companies in laboratory, medical device, diagnostics/companion diagnostics industries. In addition, the JVPRN team is well-versed in the social media landscape, having designed and implemented social media programs for several JVPRNY clients that span from non-profit consumer health to biotechnology firms.

JVPRNY's goal is to elevate ChroMedX Corp's profile in the US markets and engage proactive dialogues on the rising interest of point-of-care testing. JVPRNY's targeted media campaign includes traditional media interviews with print, broadcast and online publications outlets including expert opinion pieces targeting healthcare decision makers.

ChroMedX Corp. also welcomes Shawn Overton as Investor Relations Manager to the Company. Mr. Overton's primary responsibilities will be to manage shareholder

correspondence and liaise with the financial community.

The Company recently announced a listing on the US OTC QB Exchange and the closing of a private placement for approximately CAD \$1.1MM. ChroMedX announcements can be found here: <http://www.chromedx.com/news/>
