

FORM 12

NOTICE OF PROPOSED STOCK CONSOLIDATION OR RECLASSIFICATION

Name of Listed Issuer: The Streetwear Corporation (the "Issuer")

Trading Symbol: ARP

Date: August 25, 2015

This form is to be used to report a proposed reclassification, which is any change to the terms of a listed security other than a stock split or dividend.

1. Provide full details of the reclassification

The Issuer proposes a consolidation of its capital whereby one (1) common share will be issued for every three (3) pre-consolidation shares issued and outstanding.

2. Number of securities outstanding and reserved for issuance following the reclassification

There are 74,021,098 pre-consolidation common shares issued and outstanding as well as 16,084,090 pre-consolidation share purchase warrants (one warrant per share).

After the reclassification resulting in 24,673,699 common shares and 5,361,363 share purchase warrants the Corporation has agreed to issue 83,287,265 common shares and nil share purchase warrants to the target company and to reserve the issuance of 4,997,236 common shares and nil share purchase warrants as finder's fee. For the concurrent financing the Corporation further reserved the issuance of 7,250,000 common shares and 100,000 common shares as commission as well as 7,350,000 share purchase warrants.

As a result to those issuances the Corporation will have 120,308,200 shares issued and outstanding as well as 12,711,363 share purchase warrants.

3. Describe the anticipated impact of the reclassification on the liquidity of the market for the listed security and on voting and equity rights of public shareholders

The proposed reclassification allows the Issuer to raise the funds for the concurrent financing at 10 cents per share which values the holding of the original shareholders at approximately \$2.5 million whereas the value of the Issuer will be about \$12 million, i.e. the original shareholders will still maintain a stake of 20.5% in the new business of the Issuer which should allow ample liquidity of the market for the Issuer; on a fully diluted basis the stake in the Issuer will be 22.6%.

4. Date of shareholders' meeting to approve the reclassification

June 26, 2015

5. Record date for the reclassification

May 22, 2015

6. Certificate of Compliance

The undersigned hereby certifies that:

1. The undersigned is a director and/or senior officer of the Issuer and has been duly authorized by a resolution of the board of directors of the Issuer to sign this Certificate of Compliance.
2. As of the date hereof there is no material information concerning the Issuer which has not been publicly disclosed.
3. The undersigned hereby certifies to the Exchange that the Issuer is in compliance with the requirements of applicable securities legislation (as such term is defined in National Instrument 14-101) and all Exchange Requirements (as defined in CNSX Policy 1).

4. All of the information in this Form 12 Notice of Proposed Stock Consolidation or Reclassification is true.

Dated: August 26, 2015.
