FORWARD LOOKING INFORMATION

This press release contains forward-looking information which is not comprised of historical facts. Forward-looking information involves risks, uncertainties and other factors that could cause actual events, results, performance and opportunities to differ materially from those expressed or implied by such forward-looking information. Forward-looking information contained or referred to in this press release includes, but may not be limited to the proposed financing and the intended use of proceeds in connection therewith, the Corporation’s change of focus and plans following the completion of the Transaction.

Factors that could cause actual results to differ materially from those described in such forward-looking information include, but are not limited to, the inability to complete the financing, the inability to identify appropriate companies to acquire or to enter into joint ventures with strategic partners.

The forward-looking information in this press release reflects the current expectations, assumptions and/or beliefs of the Corporation based on information currently available to the Corporation. In connection with the forward-looking information contained in this press release, the Corporation has made assumptions about: The Corporation’s business, MezzaCap’s business, the economy and the cryptocurrency industry in general and the Corporation’s ability to complete the intended financing. Although the Corporation believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein. Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable securities laws, The Corporation disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, future events or results or otherwise.
