

Newnote Financial Cointrader.net Now Open to Australian Residents

Vancouver, British Columbia – September 17, 2015 – Newnote Financial Corp. (the “Company”), (CSE: NEU; OTCQB: NWWTF; FSE: 1W4) is pleased to announce that Cointrader.net; Newnote’s wholly owned Bitcoin Exchange, is now open to Australian residents.

Cointrader.net offers its users 100% insured Bitcoin deposits through partner XAPO and unparalleled security from partner Crowdcurity, a service offering white-hat hackers a fee for identifying potential security threats. Australian users will be subject to the same KYC (know your client) and AML (anti-money laundering) policies and procedures as Canadian users. Once an account is approved and activated, users can deposit funds via bank wire transfer or deposit Bitcoin directly to their Cointrader account. Newnote intends to develop new business relationships in Australia to offer clients other methods of funding their accounts.

CEO & President of Newnote, Paul Dickson, reports: “We’re very pleased to have launched our Australian Cointrader Bitcoin Exchange. The crypto-currency community in Australia has proven to be very enthusiastic about virtual currencies and we invite them to try Cointrader.net as an alternative to other exchanges they may be using.”
