Alta Vista closes second tranche of financing

Alta Vista Ventures Ltd. (AVV-CSE) is pleased to announce that it has received subscription agreements for an additional \$166,500 or for 3,330,000 units (each, a “Unit”) at a price of \$0.05 per Unit as tranche two of its financing. The Company has now closed the financing and will not accept any additional subscription agreements.

Each Unit consists of one previously unissued common share and one transferable purchase warrant (a “Warrant”) of the Company. Each Warrant will entitle the holder, on exercise, to purchase one additional common share of the Company (a “Warrant Share”) for a period of 12 (twelve) months from the date of issue of the Warrant. The Warrants will be exercisable at a price of \$0.075 per share. The warrants will have an acceleration clause such that if after the required hold period the shares in the Company trade at, or above, \$0.12 for 10 consecutive trading days, the Company may give notice to the warrant holders that they have 30 days to exercise the warrants.

Alta Vista will use the proceeds of the private placement to advance the formal agreement for the acquisition of Thor Pharma (see news release dated Aug. 14, 2015), completing due diligence on additional opportunities and for corporate purposes.

A finders’ fee of 10% will be paid on a portion of the funds received.
