*During the month, the Company terminated the agreement with Pacific Cascade Minerals ("PCV") regarding the option for PCV to acquire up to a 60% interest in the Turner Lake property, due to PCV's inability to make the required payments to the Issuer. Every effort was made to accommodate PCV's requests for additional time to make the scheduled payments under the agreement. However,*

PCV was incapable of meeting the basic terms of the agreement. While the Issuer remains optimistic that further exploration will yield additional encouragement at Turner Lake, it is well aware of the difficulty that exploration companies are having financing emerging projects. Management will continue to search out opportunities in other areas and in different industries.

The Issuer has arranged a non-brokered private placement of up to three million common shares of the Issuer at \$0.10 cents per share for gross proceeds of up to \$300,000. Funds raised are for general working capital purposes. Finder's fees may be paid in connection with the placement.
