MANAGEMENT INFORMATION CIRCULAR

Unless otherwise indicated information herein is given as of November 13, 2015

This management information circular (“**Circular**”) is furnished in connection with the solicitation of proxies by the management (“**Management**”) of Newlox Gold Ventures Corp. (the “**Company**”) for use at the annual general meeting (the “**Meeting**”) of shareholders (“**Shareholders**”) of the Company to be held at **11:00 a.m. (Vancouver time) on Tuesday, December 29, 2015**, at the place and for the purposes set forth in the notice of the Meeting (the **Notice of Meeting**”).

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, regular officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Circular and related proxy materials to their customers. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Registered Shareholders

If you are a registered Shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the proxy, and return it to **Computershare Investor Services Inc.**, Attention: Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be deposited with the Chairman of the Meeting on the day of the Meeting prior to the commencement or any adjournment or postponement thereof.

Non-Registered Shareholders

Only registered Shareholders or duly appointed proxyholders are entitled to vote at the Meeting. Most Shareholders are non-registered Shareholders (“**Non-Registered Shareholder**”) because the Common Shares they own are not registered in their names but are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESSPs and similar plans); or (b) in the name of a clearing agency such as The Canadian Depository for Securities Limited in Canada or the Depository Trust Company, in the United States, of which the Intermediary is a participant.

In accordance with the requirements as set out National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”) of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Circular and form of Proxy (collectively the “**Meeting Materials**”) to the Intermediaries and clearing agencies for onward distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- a) Be given a proxy which **has already been signed by an Intermediary** (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and **return it in accordance with the instructions provided in the proxy; or**
- b) More typically, be given a voting instruction form which **is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**Voting Instruction Form**” or “**VIF**”), which the Intermediary must follow.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Shareholder should strike out the names of the persons named in the Proxy and insert the Non-Registered Shareholder’s (or such other person’s) name in the blank space provided or, in the cases of a VIF, follow the corresponding instructions on the form.

Non-Registered Shareholders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the proxy or VIF is to be delivered. If Non-Registered Shareholders do not follow such instructions and attend the Meeting, they will not be entitled to vote at the Meeting.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

These Meeting Materials are being sent to both registered and non-registered owners of the Common Shares. If you are a Non-Registered Shareholder, and the Company or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to forward the Meeting Materials to OBOs. Accordingly, OBOs will not receive the Meeting Materials unless the Intermediary assumes the cost of delivery.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are directors and/or officers of the Company. A Shareholder has the right to appoint a person or company (who need not be a Shareholder) other than the persons whose names appear in such form of proxy, to attend and act for and on behalf of such Shareholder at the Meeting and any adjournment thereof. Such right may be exercised by either striking out the names of the persons specified in the form of proxy and inserting the name of the person or company to be appointed in the blank space provided in the form of proxy, or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to Computershare Investor Services Inc., Attention: Proxy Department, 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting, or any adjournment thereof.

A registered Shareholder of the Company who has given a proxy may revoke the proxy by: (a) depositing an instrument in writing, including another completed form of proxy, executed by such registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the registered Shareholder is a corporation, by an officer or attorney thereof properly authorized, either: (i) at the principal office of the Company at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment thereof, (ii) with the said office of

Computershare Trust Company of Canada Attn: Proxy Department at any time prior to 5:00 p.m. (Vancouver time) on the last business day preceding the day of the Meeting or any adjournment thereof, or (iii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; (b) transmitting, by telephone or electronic means, a revocation that complies with paragraphs (i), (ii) or (iii) above and that is signed by electronic signature, provided that the means of electronic signature permits a reliable determination that the document was created or communicated by or on behalf of such Shareholder or by or on behalf of his or her attorney, as the case may be; or (c) in any other manner permitted by law including attending the Meeting in person.

A Non-Registered Shareholder who has submitted a proxy may revoke a VIF or proxy that has been given to an Intermediary or to the service company that the Intermediary uses by following the instructions of the Intermediary respecting the revocation of proxies, provided that an Intermediary is not required to act on a revocation of a proxy or VIF which is not received by the Intermediary at least seven days prior to the Meeting.

Notice-and-Access

The Company is not sending the Meeting Materials to registered Shareholder or Non-Registered Shareholders using notice-and-access delivery procedures defined under NI 54-101 and National Instrument 51-102, *Continuous Disclosure Obligations*.

Voting and Discretion of Proxies

The Common Shares represented by an appropriate form of proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting, or at any adjournment thereof, in accordance with the instructions of the Shareholder thereon. **In the absence of instructions, such Common Shares will be voted in favour of each of the matters referred to in the Notice of Meeting as specified thereon.**

The enclosed form of proxy, when properly completed and signed, confers discretionary authority upon the persons named therein to vote on any amendments to or variations of the matters identified in the accompanying Notice of Meeting and on other matters, if any, which may properly come before the Meeting or any adjournment thereof. As at the date of this Circular, Management is not aware of any amendments, variations, or other matters to be brought before the Meeting. However, if any other matters which are not now known to Management should properly be brought before the Meeting, or any adjournment thereof, the Common Shares represented by such proxy will be voted on such matters in accordance with the judgment of the person named as proxy therein.

Compensation Discussion and Analysis

The Company relies on the board of directors in determining executive compensation and option based awards to executive officers. The objectives of the compensation program of the Company are attraction and retention of qualified executives, compensation for services, compensation for services, and developing the Company’s projects.

The amount of compensation is determined by the board of directors.

During the previously completed financial year, the compensation consisted of cash based compensation. The Company has a stock option plan which it can utilize by granting stock options to its executive officers, directors and employees in the future.

Previous grants of option-based awards, the financial performance of the Company, the position of an executive officer and the amount of time spent on the affairs of the Company are taken into account when considering new stock option grants.

The board of directors considered the implications of the risks associated with the Company’s compensation practices. The current situation of the financial markets has been identified as the major risk in implementing the compensation program of the Company.

The Company does not prohibit its executive officers to purchase financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the executive officers of directors.
