

## FORM 7

### MONTHLY PROGRESS REPORT

Name of CNSX Issuer: Organic Potash Corporation (the "Issuer").

Trading Symbol: OPC

Number of Outstanding Listed Securities: 73,408,586

Date: December 7, 2015

This Monthly Progress Report must be posted before the opening of trading on the fifth trading day of each month. This report is not intended to replace the Issuer's obligation to separately report material information forthwith upon the information becoming known to management or to post the forms required by the CNSX Policies. If material information became known and was reported during the preceding month to which this report relates, this report should refer to the material information, the news release date and the posting date on the CNSX.ca website.

This report is intended to keep investors and the market informed of the Issuer's ongoing business and management activities that occurred during the preceding month. Do not discuss goals or future plans unless they have crystallized to the point that they are "material information" as defined in the CNSX Policies. The discussion in this report must be factual, balanced and non-promotional.

#### **General Instructions**

- (a) Prepare this Monthly Progress Report using the format set out below. The sequence of questions must not be altered nor should questions be omitted or left unanswered. The answers to the items must be in narrative form. State when the answer to any item is negative or not applicable to the Issuer. The title to each item must precede the answer.
- (b) The term "Issuer" includes the Issuer and any of its subsidiaries.
- (c) Terms used and not defined in this form are defined or interpreted in Policy 1 – Interpretation and General Provisions.

#### **Report on Business**

1. **Provide a general overview and discussion of the development of the Issuer's business and operations over the previous month. Where the Issuer was inactive disclose this fact.**
  - Overall during the Company has had limited activity as it continues to work towards financing.
  - The Company has been applying for government grants and investigating other forms of funding in attempt to obtain additional capital to move forward with its current business plan.

- OPC enters into new strategic alliance with Mclean Ghana Ltd. to pursue opportunities it has found with regards to government grants. Full details discussed in item 7 below.

**2. Provide a general overview and discussion of the activities of management.**

Management has continued to work towards obtaining financing in order to carry on its business plan to produce and sell potassium carbonate through the patented process it has licensed allowing it to convert cocoa husks to potassium carbonate.

**3. Describe and provide details of any new products or services developed or offered. For resource companies, provide details of new drilling, exploration or production programs and acquisitions of any new properties and attach any mineral or oil and gas or other reports required under Ontario securities law.**

This item is not applicable to the Issuer for the current month.

**4. Describe and provide details of any products or services that were discontinued. For resource companies, provide details of any drilling, exploration or production programs that have been amended or abandoned.**

This item is not applicable to the Issuer for the current month.

**5. Describe any new business relationships entered into between the Issuer, the Issuer's affiliates or third parties including contracts to supply products or services, joint venture agreements and licensing agreements etc. State whether the relationship is with a Related Person of the Issuer and provide details of the relationship.**

OPC entered into a new strategic alliance with Mclean Ghana Ltd. For additional details refer to # 7 below.

**6. Describe the expiry or termination of any contracts or agreements between the Issuer, the Issuer's affiliates or third parties or cancellation of any financing arrangements that have been previously announced.**

Organic Potash Corporation announced the termination of the subscription agreements and financing contract entered into with three investment groups from the People's Republic of China, due to their failure to fund in accordance with their written commitment to do so.

7. **Describe any acquisitions by the Issuer or dispositions of the Issuer's assets that occurred during the preceding month. Provide details of the nature of the assets acquired or disposed of and provide details of the consideration paid or payable together with a schedule of payments if applicable, and of any valuation. State how the consideration was determined and whether the acquisition was from or the disposition was to a Related Person of the Issuer and provide details of the relationship.**

On November 20, 2015, the Company signed a Joint Venture Agreement ("JV") with New Commodity Ventures ("NCV"). Under the terms of the JV, OPC and NCV will establish a new company ("JVco"), with each of OPC and NCV owning 50%, which will be granted an exclusive sublicense for the production and sale of potassium carbonate from cocoa husks in the Ivory Coast. The sublicense will have a royalty rate of 5% of gross sales, payable quarterly up until USD\$800,000 has been paid annually, and then they royalty will be reduced to 1.5%. The term of the license will be for the same period as OPC's current license with GC Technology.

Under the terms of the JV, OPC will provide the license, technology expertise, marketing and sales expertise and such other support as may be appropriate with the design and implementation of the plant facility, without being responsible for any hard costs. OPC will also help with the marketing and sale of the potassium Carbonate. NCV will be responsible to raise all funds necessary for the start-up and continued operation of the JV, not to be less than USD\$2,000,000. NCV will also be responsible for recruiting the local team, management of the day to day administration and operations as well as developing and structuring the supply chain in the Ivory Coast.

8. **Describe the acquisition of new customers or loss of customers.**

This item is not applicable to the Issuer for the current month.

9. **Describe any new developments or effects on intangible products such as brand names, circulation lists, copyrights, franchises, licenses, patents, software, subscription lists and trade-marks.**

This item is not applicable to the Issuer for the current month.

10. **Report on any employee hirings, terminations or lay-offs with details of anticipated length of lay-offs.**

This item is not applicable to the Issuer for the current month.

11. **Report on any labour disputes and resolutions of those disputes if applicable.**

This item is not applicable to the Issuer for the current month.

12. Describe and provide details of legal proceedings to which the Issuer became a party, including the name of the court or agency, the date instituted, the principal parties to the proceedings, the nature of the claim, the amount claimed, if any, if the proceedings are being contested, and the present status of the proceedings.

This item is not applicable to the Issuer for the current month.

13. Provide details of any indebtedness incurred or repaid by the Issuer together with the terms of such indebtedness.

On May 31, 2015, the Company's \$870,000 in convertible debentures came due. As the Company has been unable to raise funds for operations, the Company is continuing to accrue interest, while the debentures remain outstanding.

14. Provide details of any securities issued and options or warrants granted.

On November 24, 2015, the Company signed a joint venture agreement with a group granting them a license to the exclusive use of the patented process in the Ivory Coast. In addition to this license grant, the joint venture partner also purchased USD \$175,000 of common shares at a price of US\$0.06 per share.

Security	Number Issued	Details of Issuance	Use of Proceeds <sup>(1)</sup>
Common Shares	2,916,667	Private Placement	Working capital
