## NEWS RELEASE

### ROBIX ANNOUNCES AGM RESULTS

December 7, 2015 – Lethbridge, AB: Robix Alternative Fuels, Inc. (“Robix” or the “Corporation”) (RZX:CSE) announced today that all matters set forth in the management information circular dated October 30, 2015 were approved by the shareholders of Robix at the annual general and special meeting (“Meeting”) held on December 4, 2015. The resolutions that were passed at the Meeting included fixing the number of directors to be elected at the Meeting at five members, the re-appointment of John J. Geib Chartered Accountant as Robix’s auditor, the approval of the name change of the Corporation to “Robix Technologies Inc.” or such other name as the Board of Directors deems appropriate and as may be approved by the regulatory authorities (the “Name Change”), and the confirmation of the amendment to the by-laws of the Corporation to support the Direct Registration System for the Corporation’s securities. Although approval for the Name Change was obtained at the Meeting, such Name Change will only become effective at a date in the future to be determined by the Board of Directors when the Board considers it to be in the best interests of the Corporation to implement such Name Change. Finally, Robix’s Board of Directors will now consist of Nathan Hansen, Robin Ray, Kevin Aylward, Wanda Cutler and Karla Alva-Jorstad.

#### About Robix:

The Corporation is an “industrial products/technology” company, offering to investors a unique opportunity to participate in a leading company in the business of ownership of patents, and their development from commercialization to worldwide expansion through various business arrangements. Robix owns a Clean Ocean Vessel (“COV”) patent, which is an oil spill recovery vessel design with the capability to recover oil in rough and debris laden sea conditions. Robix has recognized a worldwide market opportunity for effective containment, recovery and disposal equipment, particularly in the oil spill protection industry, and it proposes to develop a business model as a service provider, and/or equipment provider under licensing agreements with other industry participants, wherein Robix will use its COV patented design solution.
