

Plus8 Global Ventures to Participate at the Cantech Investment Conference

Vancouver, British Columbia – December 21, 2015 – Plus8 Global Ventures Ltd. (the “Company”), (CSE: PGT) is pleased to be participating at the 2016 Cantech Investment Conference taking place on Tuesday January 26, 2016 at the Metro Toronto Convention Centre. We will be presenting and demonstrating our ParcelPal technology and be available to speak with our shareholders.

The Cantech Investment Conference is a showcase for Canadian technology companies and investor opportunities. It brings together top investors, thought leaders, and influential executives from Canada's fastest growing companies for a full day of presentations and exhibitions.

President and CEO of Plus8 Global Ventures Ltd. Jason Moreau states, "We look forward to demonstrating our ParcelPal software to investors and show how this powerful technology is certain to change local courier delivery".

About the Cantech Investment Conference

Now entering its third year, The Cantech Investment Conference is where Canada's next great technology companies meet the investment community. The conference, brought to you by Cantech Letter and Cambridge House International, attracts public market investors, VCs, angel investors and media to the Metro Toronto Convention Centre for a one-day exhibit and presentation. Past speakers include Chris Hadfield, Sir Terry Matthews, and Dragons' Den star Michael Wekerle. This year's conference takes place January 26. For more information on the conference please visit the following link CambridgeHouse.com.

About Cambridge House International Inc.

Founded in 1995 Cambridge House International Inc. has grown to be the world leader in producing investment conferences held throughout North America. Cambridge House Conferences bring industries together for impactful two-day events where attendance includes novice to expert retail, accredited and institutional investors. The conferences are a monumental place for networking, education and investment discovery.

About Plus8 & ParcelPal

Plus8 Global Ventures wholly owned mobile delivery app 'ParcelPal' is compatible with iOS, Android and desktop computers and is intended to connect businesses seeking affordable package delivery for items such as documents from legal firms, stationary, groceries and take-out food. The Company plans to provide same-day delivery of merchandise for leading retailers in major cities Canada-wide starting with Vancouver. The Company also intends to make ParcelPal available in select cities in the United States following the pilot program in Canada.

Forward Looking Information

This news release contains forward looking statements relating to the Proposed Transaction, the Financing, the future potential of ParcelPal and the issuance of common shares to settle certain of the Company's outstanding debts. Forward looking statements are often identified by terms such as "will", "may", "should", "intends", "anticipates", "expects", "plans" and similar expressions. All statements other than statements of historical fact, included in this release are forward looking statements that involve risks and uncertainties. These risks and uncertainties include, without limitation, the risk that the Proposed Transaction will not be completed due to, among other things, failure to execute definitive documentation, failure to complete satisfactory due diligence, failure to receive the approval of the CSE and failure to find suitable investors for the Financing and the risk that ParcelPal will not be successful due to, among other things, general risks relating to the mobile application industry, failure of ParcelPal to gain market acceptance and potential challenges to the intellectual property utilized in ParcelPal. In addition, the issuance of common shares to settle certain of the Company's outstanding debts remains subject to the approval of the CSE. There can be no assurance that any forward looking statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

The Company cannot guarantee that any forward looking statement will materialize and the reader is cautioned not to place undue reliance on any forward looking information. Such information, although considered reasonable by management at the time of preparation, may prove to be incorrect and actual results may differ materially from those anticipated. Forward looking statements contained in this news release are expressly qualified by this cautionary statement. The forward looking statements contained in this news release are made as of the date of this news release and the Company will only update or revise publicly any of the included forward looking statements as expressly required by Canadian securities laws.
