H-SOURCE HIRES TWO NEW VICE PRESIDENTS OF SALES

VANCOUVER, BRITISH COLUMBIA – February 3, 2016 – H-Source Holdings Ltd. (CSE: HSI) (the “**Company**” or “**H-Source**”) is pleased to announce that Ashlea Souffrou (“Souffrou”) and Cori Hahn (“Hahn”) have joined H-Source, Inc., the Company’s wholly-owned operating subsidiary, as Vice President of Sales, US West and US East, respectively. Both Souffrou and Hahn have extensive sales background in hospital related supply chain, reprocessing, re-sterilization, and consulting services. They will play a key role in building the sales team, growing and servicing customers and developing strategic partnerships nationally.

Murray Walden, President and Director of H-Source states, “We are excited to have them join H-Source. Both Cori and Ashlea have worked extensively in key areas of hospital and ASC (Ambulatory Surgery Center) supply chains and are also very passionate about reducing health care costs and supporting sustainability. They have earned the trust and respect of a significant number of hospitals and surgery centers which we believe H-Source can build on to continue to provide positive solutions.”

Souffrou has spent her career in the medical device industry since 2006, focused on financial, environmental and social sustainability opportunities. She has been acting as Managing Partner for Reteegrity Solutions since 2013 and a Sustainability Consultant for E3 Solutions since 2015. Souffrou's career began at Stryker Corporation in various marketing and sales roles.

Hahn comes to H-Source from Reteegrity Solutions, which she started and has been a Managing Partner since 2013. Prior to this role, she worked at Midwest Reprocessing Center, developing a sales team focused on cost-savings and eco-friendly initiatives. Hahn started her career in the Medical Device industry 15 years ago as a sales representative and field trainer for Covidien.

“These are two high quality and experienced professionals who share our vision to make a difference in health care and we could not be more pleased that they decided to join us. They will make a positive impact on H-Source immediately,” commented John Kupice, CEO and Director of H-Source.

In addition, the Company granted an aggregate of 600,000 incentive stock options to employees and consultants to purchase up to 600,000 shares in the capital of the Company at an exercise price of \$0.15 per share and with a five year term.

About H-Source Holdings Ltd.

H-Source Holdings Ltd. is a technology company operating within the healthcare industry through its wholly owned subsidiary, H-Source, Inc. The Company has developed a transaction platform that provides a private, secure and trusted marketplace for member hospitals to buy, sell and transfer excess inventory supplies and capital equipment with each other. Member hospitals can

conduct secure transactions within Integrated Delivery Networks, complete H-Source network or customize their own group hospitals using H-Source's built-in filters. This marketplace network is specifically designed to reduce health care costs and medical product waste. For more information, please visit <http://h-source.com/>.
