About Arcturus

The Company is in the business of developing and distributing LED based lighting solutions for both commercial and residential applications. The focus is on delivering cost efficient lighting to North America via advanced e-commerce sites the company owns and operates. The Company’s LEDCanada.com website, which caters to all Canadian consumers as well as B2B customers via Contractor and Re-Seller log-in areas, attracts thousands of customers per month. LED Canada is a trusted supplier of the newest and highest quality LED Lighting solutions, helping take the guess work out of this “sometimes confusing” technology. The Company also owns and operates COBGrowlights.com which caters to both large and small greenhouses and indoor cultivation individuals. The Company’s Growthstar brand of LED lights have been top rated for almost 5 years and our newest COB and MCOB (Chip on board and Multiple Chips on Board) technologies are proving to be a game changing revolution in the world of “LED Grow Lights” by providing the first true option for replacing the millions of HPS lamps currently industry standard with 50% reduction in power use and many other benefits.
